## **Student Description and Evaluation of Practicum Experience**

### **PRACTICUM WRITTEN REPORT OUTLINE**

As part of your practicum assignment, you are required to provide a written report. This report is due at the end of the practicum experience. It is strongly suggested that you consider the points outlined below to guide your response.

1. Identify the place and period of your practicum.
  - a. Write a narrative description of your overall practicum activities.
  - b. Estimate the percent of time spent in various activities.
2. Summarize your personal and emotional reactions and insights in regards to your practicum activities.
3. Evaluation of practicum experience.
  - a. What were the satisfactory aspects of your experience?
  - b. What were the limitations of your experience?
  - c. What additional things could the agency have provided to make this experience more meaningful?
  - d. What additional things could your faculty and agency supervisor have done to make this activity more meaningful?
  - e. Are there additional emphases in courses that could have been made?
  - f. On the scale of excellent, good, satisfactory, and poor, please rate the quality of your practicum experience.
