

COMPETITIVE MAJOR APPLICATION FORM – Starting September 2019

Multiple selections allowed – See notes on Career Investigation (pg. 2)

Radiography (Saint John)

Radiography (Moncton)

Respiratory Therapy

Radiation Therapy

PERSONAL: Full Name (Last,First Middle) / Full Address / Email & Phone Contact / UNB Student ID

PREVIOUS EDUCATION: List High School College University, Degree, General Dates

EMPLOYMENT SUMMARY: List Employer, General Date, Position Held

Career Investigation Report*

If you have selected multiple competitive majors – you must submit a separate Career Investigation Report for each selection with the exception of Radiography where one report will work for both schools.

PLEASE NOTE: It is **STRONGLY ADVISED** that you complete the Career Investigation Report using your own words/thoughts on these questions. Answers that come directly from online sources or that are deemed by the BHS partner to not originate from the candidate will stand against your application.

As a candidate for acceptance into the UNB Saint John Bachelor of Health Sciences it is important that you demonstrate your comprehension and understanding of the competitive major of your choice. Please answer the following questions as thoroughly as you can using the space provided.

1. Describe/define the competitive major field you are interested in:
(Radiography/Respiratory Therapy/Radiation Therapy)
2. In which departments or locations in a hospital might a professional in your area of interest be employed?
3. What are the some of the sub-specialties a professional in your area of interest might pursue upon graduating?

4. What are some of the day to day tasks performed by a professional in your area of interest?

5. Elaborate on the 'Scope of Practice' of a professional in your area of interest.

6. What is a 'Code of Ethics' and why is such a concept critical to healthcare professionals?

7. Why are you pursuing a career in the health sciences?

EXTRACURRICULAR:

Please list job, sport or volunteer experiences that you think demonstrate your ability to work effectively as part of a health care team:

Are you a CANADIAN citizen?

YES

NO - please indicate country of citizenship

TO COMPLETE THE APPLICATION PROCESS:

A completed application form must include:

- a. Completed application form (above)
- b. Career Investigation Report (one per competitive major applied for)
- c. Any post-secondary transcripts. College or University. High School not required – but may be requested by the Coordinator. Transcripts must be official to be considered.

The following documents must be completed and merged into a single **PDF** file. The file should be titled: (Applicant Last Name) BHS 2018. Example: Thomas BHS 2018. Once combined, they may be emailed to the Nursing and Health Sciences Coordinator at:

scott.thomas@unb.ca.

One method of creating PDF documents is to use the free smartphone app – GENIUS SCAN. Applications must be received before end of day, January 31, 2019. Incomplete applications or applications sent after the deadline date will not be accepted.

In addition to the above document, **two additional confidential references** (see pages 5-6 of this document) must be provided to the Nursing & Health Sciences Coordinator.

CONFIDENTIAL REFERENCE

Instructions to student: Two separate references are required. Where possible, have a current or recent university or college level instructor complete a copy of this form, and/or a current or recent employer. In the event that you were not employed within the last year or two, a grade twelve teacher/coach/mentor may be used as a substitute reference.

Instructions to referrer: Please print, complete and sign this form then fax, mail or email (preferred) to the attention of:
