

Halifax Sailing Club Warehouse Storage Risk assessment

This risk assessment is for use of any of members making use of the club's boat storage warehouse.

Please use the cleansing materials provided at the storage for your own safety and that of others.

Access to the warehouse can be arranged with key holders Robin Boardman and John Lamb.

Severity	Likelihood	Risk Level = Severity x Likelihood
5 = Fatality	5 = Certainly	Unacceptable 20- 25
4 = Serious Illness	4 = Probable	Substantial 16 - 19
3 = Major Illness	3 = Possible	Moderate 7 - 15
2 = Minor Illness	2 = Remote	Acceptable 4 - 6
1 = No Illness	1 = Improbable	Trivial 1 = 3
