- (f) The petitioner shall at all times have the burden of production and proof to establish by clear and convincing evidence that they are entitled to the relief sought in the petition.
- (g) The board, when it is hearing the petition itself, or an administrative law judge sitting for the board, may consider all activities of the petitioner since the disciplinary action was taken, the offense for which the petitioner was disciplined, the petitioner's activities during the time their license or registration was in good standing, and the petitioner's rehabilitative efforts, general reputation for truth, and professional ability.
- (h) The hearing may be continued from time to time as the board or the administrative law judge deems appropriate but in no case may the hearing on the petition be delayed more than 180 days from its filing without the consent of the petitioner.

Information provided to the board pursuant to the release shall be confidential and shall not be subject to discovery or subpoena in any other proceeding, and shall not be admissible in any action, other than before the board, to determine the petitioner's fitness to practice as required by Section 822.
- (k) The board may delegate to its executive officer authority to order investigation of the contents of the petition.
- (l) No petition shall be considered while the petitioner is under sentence for any criminal offense, including any period during which the petitioner is on court-imposed probation or parole or the petitioner is required to register pursuant to Section 290 of the Penal Code. No petition shall be considered while there is an accusation or petition to revoke probation pending against the petitioner.
- (m) Except in those cases where the petitioner has been disciplined for violation of Section 822, the board may in its discretion deny without hearing or argument any petition that is filed pursuant to

this section within a period of two years from the effective date of a prior decision following a hearing under this section.

- (b) An accusation filed against a licensee alleging the procurement of a license by fraud or misrepresentation is not subject to the limitations set forth in subdivision (a).
- (c) The limitations period provided by subdivision (a) shall be tolled for the length of time required to obtain compliance when a report required to be filed by the licensee or registrant with the board pursuant to Article 11 (commencing with Section 800) of Chapter 1 is not filed in a timely fashion.
- (d) An accusation alleging sexual misconduct shall be filed within three years after the board discovers the act or omission alleged as the grounds for disciplinary action or within 10 years after the act or omission alleged as the grounds for disciplinary action occurred, whichever occurs first. This subdivision shall apply to a complaint alleging sexual misconduct received by the board on and after January 1, 2002.
- (e) If an alleged act or omission involves a minor, the seven-year limitations period provided for by subdivision (a) and the 10-year limitations period provided for by subdivision (d) shall be tolled until the minor reaches the age of majority. However, if the board discovers an alleged act of sexual contact with a minor under Section 261, 286, 287, 288, 288.5, or 289 of, or former Section 288a of, the Penal Code after the limitations periods described in this subdivision have otherwise expired, and there is independent evidence that corroborates the allegation, an accusation shall be filed within three years from the date the board discovers that alleged act.
- (f) The limitations period provided by subdivision (a) shall be tolled during any period if material evidence necessary for prosecuting or determining whether a disciplinary action would be appropriate is unavailable to the board due to an ongoing criminal investigation.

(g) For purposes of this section, “discovers” means the latest of the occurrence of any of the following with respect to each act or omission alleged as the basis for disciplinary action:

- (1) The date the board received a complaint or report describing the act or omission.
- (2) The date, subsequent to the original complaint or report, on which the board became aware of any additional acts or omissions alleged as the basis for disciplinary action against the same individual.

§ 4990.33. DISCIPLINARY ACTION: LICENSE STATUS CHANGE

Notwithstanding any other law, except as provided in Section 4990.32, the expiration, cancellation, forfeiture, or suspension of a license, registration, or other authority to practice by operation of law or by order or decision of the board or a court of law, the placement of a license on a retired status, or the voluntary surrender of a license or registration by a licensee or registrant, of any license or registration within the authority of the board, shall not deprive the board of jurisdiction to commence or proceed with any investigation of, or action or disciplinary proceeding against, the licensee or registrant or to render a decision suspending or revoking the license or registration.

The disciplinary action, which may include denial of licensure or revocation or suspension of the license or imposition of restrictions on it, constitutes unprofessional conduct. A certified copy of the disciplinary action decision or judgment shall be conclusive evidence of that action.

§ 4990.40. REVOCATION OF LICENSE OR REGISTRATION DUE TO SEXUAL CONTACT WITH A PATIENT

The board shall revoke a license or registration issued under the chapters it administers and enforces upon a decision made in accordance with the procedures set forth in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that contains a finding of fact that the licensee or registrant engaged in an act of sexual contact, as defined in Section 729, when that act is with a patient or with a former patient when the relationship was terminated primarily for the purpose of engaging in that act. The revocation shall not be stayed by the administrative law judge or the board.

The record of conviction shall be conclusive evidence only of the fact that the conviction occurred. (g) Notwithstanding any other law, once the required number of experience hours are gained, an associate clinical social worker or applicant for licensure shall receive a minimum of one hour of direct supervisor contact per week for each practice setting in which direct clinical counseling is performed. Once the required number of experience hours are gained, further supervision for nonclinical practice, as described in paragraph (3) of subdivision (d) of Section 4996.23, shall be at the supervisor's discretion.

§ 4996.23.2. SUPERVISED EXPERIENCE: ACCEPTABLE SETTINGS; ACCEPTABLE SUPERVISION PRACTICES

(a) An associate clinical social worker or applicant for licensure shall only perform mental health and related services as an employee or as a volunteer, not as an independent contractor. The requirements of this chapter regarding hours of experience and supervision shall apply equally to employees and volunteers. An associate or applicant for licensure shall not perform any services or gain any experience within the scope of practice of the profession, as defined in Section 4996.9, as an independent contractor. - (e) Only experience gained in the position for which the associate clinical social worker volunteers or is employed shall qualify as supervised experience.
- (f) Any experience obtained under the supervision of a spouse or relative by blood or marriage shall not be credited toward the required hours of supervised experience. Any experience obtained under the supervision of a supervisor with whom the applicant has had or currently has a personal, professional, or business relationship that undermines the authority or effectiveness of the supervision shall not be credited toward the required hours of supervised experience.
- (g) An associate clinical social worker or applicant for licensure who provides voluntary services in any lawful work setting other than a private practice and who only receives reimbursement for expenses actually incurred shall be considered an employee. The board may audit an applicant for licensure who receives reimbursement for expenses and the applicant shall have the burden of demonstrating that the payments received were for reimbursement of expenses actually incurred.
- (h) An associate clinical social worker or applicant for licensure who receives a stipend or educational loan repayment from a program designed to encourage demographically underrepresented groups to enter the profession or to improve recruitment and retention in underserved regions or settings shall be considered an employee. The board may audit an applicant who receives a stipend or educational loan repayment and the applicant shall have the burden of demonstrating that the payments received were for the specified purposes.
- (i) An associate or applicant for licensure shall not receive any remuneration from patients or clients and shall only be paid by his or her employer, if an employee.

- (k) Each educational institution preparing applicants pursuant to this chapter shall consider requiring, and shall encourage, its students to undergo individual, marital, conjoint, family, or group counseling or psychotherapy, as appropriate. Each supervisor shall consider, advise, and encourage his or her supervisees regarding the advisability of undertaking individual, marital, conjoint, family, or group counseling or psychotherapy, as appropriate. Insofar as it is deemed appropriate and is desired by the applicant, educational institutions and supervisors are encouraged to assist the applicant to locate counseling or psychotherapy at a reasonable cost.

- (a) An associate clinical social worker or an applicant for licensure shall only perform mental health and related services at the places where their employer permits business to be conducted.
- (b) An associate who is employed or volunteering in a private practice shall be supervised by an individual who is employed by, and shall practice at the same site as, the associate's employer. Alternatively, the supervisor may be an owner of the private practice. However, if the site is incorporated, the supervisor must be employed full-time at the site and be actively engaged in performing professional services at the site.
- (c) A supervisor at a private practice or a corporation shall not supervise more than a total of three supervisees at any one time. A supervisee may be registered as an associate marriage and family therapist, an associate professional clinical counselor, or an associate clinical social worker.
- (d) In a setting that is not a private practice:
- (1) A written oversight agreement, as specified by regulation, shall be executed between the supervisor and employer when the supervisor is not employed by the supervisee's employer or is a volunteer.

All consideration, compensation, or remuneration shall be in relation to professional clinical counseling services actually provided by the licensee. An act described in this subdivision occurring prior to the effective date of this subdivision shall constitute unprofessional conduct and shall subject the licensee to refusal, suspension, or revocation of a license under this section.
- (2) The Legislature hereby finds and declares that protection of the public, and in particular minors, from sexual misconduct by a licensee is a compelling governmental interest, and that the ability to suspend or revoke a license for sexual conduct with a minor occurring prior to the effective date of this section is equally important to protecting the public as is the ability to refuse a license for sexual conduct with a minor occurring prior to the effective date of this section.

 - (1) Deny an application by the individual for licensure and registration, in accordance with the procedures set forth in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, if the crime meets the conditions for denial specified in Section 480 of the Business and Professions Code.
 - (2) Revoke the license or registration of the individual, in accordance with the procedures set forth in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and shall not stay the revocation nor place the license or registration on probation.

 - (3) Any administrative proceeding that is fully adjudicated prior to the effective date of this regulation. A petition for reinstatement of a revoked or surrendered license or registration shall be considered a new proceeding for purposes of this paragraph, and the prohibition in subsection (a) against reinstating a license or registration shall govern.

The training shall be creditable toward continuing education requirements as deemed appropriate by the agency regulating the business or profession, and the course shall not exceed more than 50 contact hours.

The Board of Psychology shall exempt from the requirements of this section any persons whose field of practice is such that they are not likely to have use for this training.

“Human sexuality” as used in this section means the study of a human being as a sexual being and how a human being functions with respect thereto.

The content and length of the training shall be determined by the administrative agency regulating the business or profession and the agency shall proceed immediately upon the effective date of this section to determine what training, and the quality of staff to provide the training, is available and shall report its determination to the Legislature on or before July 1, 1977.

§ 28. TRAINING FOR CHILD, ELDER AND DEPENDENT ADULT ABUSE ASSESSMENT AND REPORTING; LICENSING PREREQUISITES

- (a) The Legislature finds that there is a need to ensure that professionals of the healing arts who have demonstrable contact with victims and potential victims of child, elder, and dependent adult abuse, and abusers and potential abusers of children, elders, and dependent adults are provided with adequate and appropriate training regarding the assessment and reporting of child, elder, and dependent adult abuse that will ameliorate, reduce, and eliminate the trauma of abuse and neglect and ensure the reporting of abuse in a timely manner to prevent additional occurrences.
- (b) The Board of Psychology and the Board of Behavioral Sciences shall establish required training in the area of child abuse assessment and reporting for all persons applying for initial licensure and renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist. This training shall be required one time only for all persons applying for initial licensure or for licensure renewal.
- (c) All persons applying for initial licensure or renewal of a license as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist shall, in addition to all other requirements for licensure or renewal, have completed coursework or training in child abuse assessment and reporting that meets the requirements of this section, including detailed knowledge of the Child Abuse and Neglect Reporting Act (Article 2.5 (commencing with Section

The training shall also include physical and behavioral indicators of abuse, crisis counseling techniques, community resources, rights and responsibilities of reporting, consequences of failure to report, caring for a child's needs after a report is made, sensitivity to previously abused children and adults, and implications and methods of treatment for children and adults.

(4) An applicant shall provide the appropriate board with documentation of completion of the required child abuse training.

(d) The Board of Psychology and the Board of Behavioral Sciences shall exempt an applicant who applies for an exemption from this section and who shows to the satisfaction of the board that there would be no need for the training in the applicant's practice because of the nature of that practice.

(e) It is the intent of the Legislature that a person licensed as a psychologist, clinical social worker, professional clinical counselor, or marriage and family therapist have minimal but appropriate training in the areas of child, elder, and dependent adult abuse assessment and reporting. It is not intended that, by solely complying with this section, a practitioner is fully trained in the subject of treatment of child, elder, and dependent adult abuse victims and abusers.

(f) The Board of Psychology and the Board of Behavioral Sciences are encouraged to include coursework regarding the assessment and reporting of elder and dependent adult abuse in the required training on aging and long-term care issues prior to licensure or license renewal.

- (b) A board vested with the responsibility of regulating the following licensees shall consider including training regarding the characteristics and method of assessment and treatment of acquired immune deficiency syndrome (AIDS) in any continuing education or training requirements for those licensees: chiropractors, medical laboratory technicians, dentists, dental hygienists, dental assistants, physicians and surgeons, podiatrists, registered nurses, licensed vocational nurses, psychologists, physician assistants, respiratory therapists, acupuncturists, marriage and family therapists, licensed educational psychologists, clinical social workers, and professional clinical counselors.

- (b) If application for reinstatement is filed more than one year after discharge or return to inactive status, the applicant, in the discretion of the licensing agency, may be required to pass an examination.
- (c) If application for reinstatement is filed and the licensing agency determines that the applicant has not actively engaged in the practice of his or her profession while on active duty, then the licensing agency may require the applicant to pass an examination.
- (d) Unless otherwise specifically provided in this code, any licensee or registrant who, either part time or full time, practices in this state the profession or vocation for which he or she is licensed or registered shall be required to maintain his or her license in good standing even though he or she is in military service.

For the purposes in this section, time spent by a licensee in receiving treatment or hospitalization in any veterans' facility during which he or she is prevented from practicing his or her profession or vocation shall be excluded from said period of one year.

§ 114.3. WAIVER OF RENEWAL REQUIREMENTS: ACTIVE DUTY MILITARY

- (a) Notwithstanding any other law, every board, as defined in Section 22, within the department shall waive the renewal fees, continuing education requirements, and other renewal requirements as determined by the board, if any are applicable, for any licensee or registrant called to active duty as a member of the United States Armed Forces or the California National Guard if all of the following requirements are met:

 - (2) If the licensee or registrant will provide services for which the licensee or registrant is licensed while on active duty, the board shall convert the license status to military active and no private practice of any type shall be permitted.
- (c) In order to engage in any activities for which the licensee or registrant is licensed once discharged from active duty, the licensee or registrant shall meet all necessary renewal requirements as

determined by the board within six months from the licensee's or registrant's date of discharge from active duty service.

- (d) After a licensee or registrant receives notice of the licensee or registrant's discharge date, the licensee or registrant shall notify the board of their discharge from active duty within 60 days of receiving their notice of discharge.
- (e) A board may adopt regulations to carry out the provisions of this section.
- (f) This section shall not apply to any board that has a similar license renewal waiver process statutorily authorized for that board.

§ 114.5. MILITARY SERVICE; INQUIRY ON APPLICATIONS

- (a) Each board shall inquire in every application for licensure if the individual applying for licensure is serving in, or has previously served in, the military.
- (b) If a board's governing law authorizes veterans to apply military experience and training towards licensure requirements, that board shall post information on the board's Internet Web site about the ability of veteran applicants to apply military experience and training towards licensure requirements.

§ 115.4. EXPEDITED LICENSURE: SERVICE IN THE MILITARY

- (a) Notwithstanding any other law, on and after July 1, 2016, a board within the department shall expedite, and may assist, the initial licensure process for an applicant who supplies satisfactory evidence to the board that the applicant has served as an active duty member of the Armed Forces of the United States and was honorably discharged.
- (b) A board may adopt regulations necessary to administer this section.

 - (2) Holds a current license in another state, district, or territory of the United States in the profession or vocation for which the applicant seeks a license from the board.
- (b) A board may adopt regulations necessary to administer this section.

§ 118. APPLICATION WITHDRAWAL OR LICENSE STATUS CHANGE: DENIAL OR DISCIPLINARY ACTION

- (a) The withdrawal of an application for a license after it has been filed with a board in the department shall not, unless the board has consented in writing to such withdrawal, deprive the board of its authority to institute or continue a proceeding against the applicant for the denial of the license upon any ground provided by law or to enter an order denying the license upon any such ground.
- (b) The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground.
- (c) As used in this section, “board” includes an individual who is authorized by any provision of this code to issue, suspend, or revoke a license, and “license” includes “certificate,” “registration,” and “permit.”

§ 125.3. INVESTIGATIVE AND ENFORCEMENT COSTS; PAYMENT BY LICENSEE

- (a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.
- (b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.
- (c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.
- (d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).
- (e) If an order for recovery of costs is made and timely payment is not made as directed in the board’s decision, the board may enforce the order for repayment in any appropriate court. This right of

enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

- (f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.
- (g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.
- (h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.
- (i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.
- (j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.
- (k) Notwithstanding the provisions of this section, the Medical Board of California shall not request nor obtain from a physician and surgeon, investigation and prosecution costs for a disciplinary proceeding against the licensee. The board shall ensure that this subdivision is revenue neutral with regard to it and that any loss of revenue or increase in costs resulting from this subdivision is offset by an increase in the amount of the initial license fee and the biennial renewal fee, as provided in subdivision (e) of Section 2435.

§ 125.6. REFUSAL TO PERFORM LICENSED ACTIVITIES; DISCRIMINATION OR RESTRICTION IN PERFORMANCE

- (a) (1) With regard to an applicant, every person who holds a license under the provisions of this code is subject to disciplinary action under the disciplinary provisions of this code applicable to that person if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, the person refuses to perform the licensed activity or aids or incites the refusal to perform that licensed activity by another licensee, or if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, the person makes any discrimination, or restriction in the performance of the licensed activity.

(2) Nothing in this section shall be interpreted to prevent a physician or health care professional licensed pursuant to Division 2 (commencing with Section 500) from considering any of the characteristics of a patient listed in subdivision (b) or (e) of Section 51 of the Civil Code if that consideration is medically necessary and for the sole purpose of determining the appropriate diagnosis or treatment of the patient.

- (3) Nothing in this section shall be interpreted to apply to discrimination by employers with regard to employees or prospective employees, nor shall this section authorize action against any club license issued pursuant to Article 4 (commencing with Section 23425) of Chapter 3 of Division 9 because of discriminatory membership policy.
- (4) The presence of architectural barriers to an individual with physical disabilities that conform to applicable state or local building codes and regulations shall not constitute discrimination under this section.
- (b) (1) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to permit an individual to participate in, or benefit from, the licensed activity of the licensee where that individual poses a direct threat to the health or safety of others. For this purpose, the term “direct threat” means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures or by the provision of auxiliary aids and services.
- (2) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to perform a licensed activity for which the person is not qualified to perform.
- (c) (1) “Applicant,” as used in this section, means a person applying for licensed services provided by a person licensed under this code.
- (2) “License,” as used in this section, includes “certificate,” “permit,” “authority,” and “registration” or any other indicia giving authorization to engage in a business or profession regulated by this code.

§ 125.9. ISSUANCE OF CITATIONS; FINES AND ORDERS OF ABATEMENT

- (a) Except with respect to persons regulated under Chapter 11 (commencing with Section 7500), any board, bureau, or commission within the department, the State Board of Chiropractic Examiners, and the Osteopathic Medical Board of California, may establish, by regulation, a system for the issuance to a licensee of a citation which may contain an order of abatement or an order to pay an administrative fine assessed by the board, bureau, or commission where the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto.
- (b) The system shall contain the following provisions:
 - (1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.
 - (2) Whenever appropriate, the citation shall contain an order of abatement fixing a reasonable time for abatement of the violation.
 - (3) In no event shall the administrative fine assessed by the board, bureau, or commission exceed five thousand dollars (\$5,000) for each inspection or each investigation made with respect to the violation, or five thousand dollars (\$5,000) for each violation or count if the violation involves fraudulent billing submitted to an insurance company, the Medi-Cal program, or Medicare. In assessing a fine, the board, bureau, or commission shall give due consideration

to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith of the licensee, and the history of previous violations.

(4) A citation or fine assessment issued pursuant to a citation shall inform the licensee that if the licensee desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board, bureau, or commission within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(5) Failure of a licensee to pay a fine or comply with an order of abatement, or both, within 30 days of the date of assessment or order, unless the citation is being appealed, may result in disciplinary action being taken by the board, bureau, or commission. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.

(c) The system may contain the following provisions:

(1) A citation may be issued without the assessment of an administrative fine.

(2) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act.

(d) Notwithstanding any other provision of law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine and compliance with the order of abatement, if applicable, shall be represented as satisfactory resolution of the matter for purposes of public disclosure.

(e) Administrative fines collected pursuant to this section shall be deposited in the special fund of the particular board, bureau, or commission.

§ 129. HANDLING OF COMPLAINTS; CHILD CUSTODY EVALUATIONS

(a) As used in this section, "board" means every board, bureau, commission, committee, and similarly constituted agency in the department that issues licenses.

(b) Each board shall, upon receipt of any complaint respecting an individual licensed by the board, notify the complainant of the initial administrative action taken on the complainant's complaint within 10 days of receipt. Each board shall notify the complainant of the final action taken on the complainant's complaint. There shall be a notification made in every case in which the complainant is known. If the complaint is not within the jurisdiction of the board or if the board is unable to dispose satisfactorily of the complaint, the board shall transmit the complaint together with any evidence or information it has concerning the complaint to the agency, public or private, whose authority in the opinion of the board will provide the most effective means to secure the relief sought. The board shall notify the complainant of this action and of any other means that may be available to the complainant to secure relief.

(c) The board shall, when the board deems it appropriate, notify the person against whom the complaint is made of the nature of the complaint, may request appropriate relief for the

complainant, and may meet and confer with the complainant and the licensee in order to mediate the complaint. Nothing in this subdivision shall be construed as authorizing or requiring any board to set or to modify any fee charged by a licensee.

- (d) It shall be the continuing duty of the board to ascertain patterns of complaints and to report on all actions taken with respect to those patterns of complaints to the director and to the Legislature at least once per year. The board shall evaluate those complaints dismissed for lack of jurisdiction or no violation and recommend to the director and to the Legislature at least once per year the statutory changes it deems necessary to implement the board's functions and responsibilities under this section.
- (e) It shall be the continuing duty of the board to take whatever action it deems necessary, with the approval of the director, to inform the public of its functions under this section.
- (f) Notwithstanding any other law, upon receipt of a child custody evaluation report submitted to a court pursuant to Chapter 6 (commencing with Section 3110) of Part 2 of Division 8 of the Family Code, the board shall notify the noncomplaining party in the underlying custody dispute, who is a subject of that report, of the pending investigation.

§ 143.5. CIVIL DISPUTE SETTLEMENTS; PROHIBITED PROVISIONS

- (a) No licensee who is regulated by a board, bureau, or program within the Department of Consumer Affairs, nor an entity or person acting as an authorized agent of a licensee, shall include or permit to be included a provision in an agreement to settle a civil dispute, whether the agreement is made before or after the commencement of a civil action, that prohibits the other party in that dispute from contacting, filing a complaint with, or cooperating with the department, board, bureau, or program within the Department of Consumer Affairs that regulates the licensee or that requires the other party to withdraw a complaint from the department, board, bureau, or program within the Department of Consumer Affairs that regulates the licensee. A provision of that nature is void as against public policy, and any licensee who includes or permits to be included a provision of that nature in a settlement agreement is subject to disciplinary action by the board, bureau, or program.
- (b) Any board, bureau, or program within the Department of Consumer Affairs that takes disciplinary action against a licensee or licensees based on a complaint or report that has also been the subject of a civil action and that has been settled for monetary damages providing for full and final satisfaction of the parties may not require its licensee or licensees to pay any additional sums to the benefit of any plaintiff in the civil action.
- (c) As used in this section, "board" shall have the same meaning as defined in Section 22, and "licensee" means a person who has been granted a license, as that term is defined in Section 23.7.
- (d) Notwithstanding any other law, upon granting a petition filed by a licensee or authorized agent of a licensee pursuant to Section 11340.6 of the Government Code, a board, bureau, or program within the Department of Consumer Affairs may, based upon evidence and legal authorities cited in the petition, adopt a regulation that does both of the following:
 - (1) Identifies a code section or jury instruction in a civil cause of action that has no relevance to the board's, bureau's, or program's enforcement responsibilities such that an agreement to

settle such a cause of action based on that code section or jury instruction otherwise prohibited under subdivision (a) will not impair the board's, bureau's, or program's duty to protect the public.

(2) Exempts agreements to settle such a cause of action from the requirements of subdivision (a).

(e) This section shall not apply to a licensee subject to Section 2220.7.

§ 144.5. BOARD RECIEPT OF CERTIFIED RECORDS FOR INVESTIGATION

Notwithstanding any other law, a board described in Section 144 may request, and is authorized to receive, from a local or state agency certified records of all arrests and convictions, certified records regarding probation, and any and all other related documentation needed to complete an applicant or licensee investigation. A local or state agency may provide those records to the board upon request.

§ 315.2. CEASE PRACTICE ORDERS; POSITIVE TEST FOR PROHIBITED SUBSTANCE

- (b) An order to cease practice under this section shall not be governed by the provisions of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
- (c) A cease practice order under this section shall not constitute disciplinary action.
- (d) This section shall have no effect on the Board of Registered Nursing pursuant to Article 3.1 (commencing with Section 2770) of Chapter 6 of Division 2.

§ 315.4. CEASE PRACTICE ORDERS; BOARD AUTHORITY

- (a) A board, as described in Section 315, may adopt regulations authorizing the board to order a licensee on probation or in a diversion program to cease practice for major violations and when the board orders a licensee to undergo a clinical diagnostic evaluation pursuant to the uniform and specific standards adopted and authorized under Section 315.
- (b) An order to cease practice under this section shall not be governed by the provisions of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

§ 464. ESTABLISHMENT OF A RETIRED LICENSE; INVESTIGATION OF PERSONS WITH LICENSES THAT ARE INACTIVE OR RESTRICTED

- (a) Any of the boards within the department may establish, by regulation, a system for a retired category of licensure for persons who are not actively engaged in the practice of their profession or vocation.
- (b) The regulation shall contain the following:
 - (1) A retired license shall be issued to a person with either an active license or an inactive license that was not placed on inactive status for disciplinary reasons.
 - (2) The holder of a retired license issued pursuant to this section shall not engage in any activity for which a license is required, unless the board, by regulation, specifies the criteria for a retired licensee to practice his or her profession or vocation.
 - (3) The holder of a retired license shall not be required to renew that license.
 - (4) The board shall establish an appropriate application fee for a retired license to cover the reasonable regulatory cost of issuing a retired license.
 - (5) In order for the holder of a retired license issued pursuant to this section to restore his or her license to an active status, the holder of that license shall meet all the following:

- (c) A board may upon its own determination, and shall upon receipt of a complaint from any person, investigate the actions of any licensee, including a person with a license that either restricts or prohibits the practice of that person in his or her profession or vocation, including, but not limited to, a license that is retired, inactive, canceled, revoked, or suspended.
- (d) Subdivisions (a) and (b) shall not apply to a board that has other statutory authority to establish a retired license.

§ 480. GROUNDS FOR DENIAL OF LICENSURE

- (a) Notwithstanding any other provision of this code, a board may deny a license regulated by this code on the grounds that the applicant has been convicted of a crime or has been subject to formal discipline only if either of the following conditions are met:
- (1) The applicant has been convicted of a crime within the preceding seven years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding seven years from the date of application. However, the preceding seven-year limitation shall not apply in either of the following situations:
 - (A) The applicant was convicted of a serious felony, as defined in Section 1192.7 of the Penal Code or a crime for which registration is required pursuant to paragraph (2) or (3) of subdivision (d) of Section 290 of the Penal Code.
 - (B) The applicant was convicted of a financial crime currently classified as a felony that is directly and adversely related to the fiduciary qualifications, functions, or duties of the business or profession for which the application is made, pursuant to regulations adopted by the board, and for which the applicant is seeking licensure under any of the following:
 - (i) Chapter 6 (commencing with Section 6500) of Division 3.
 - (ii) Chapter 9 (commencing with Section 7000) of Division 3.
 - (iii) Chapter 11.3 (commencing with Section 7512) of Division 3.

(iv) Licensure as a funeral director or cemetery manager under Chapter 12 (commencing with Section 7600) of Division 3.

(v) Division 4 (commencing with Section 10000).

(2) The applicant has been subjected to formal discipline by a licensing board in or outside California within the preceding seven years from the date of application based on professional misconduct that would have been cause for discipline before the board for which the present application is made and that is substantially related to the qualifications, functions, or duties of the business or profession for which the present application is made. However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code or a comparable dismissal or expungement.

- (b) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis that the person has been convicted of a crime, or on the basis of acts underlying a conviction for a crime, if that person has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code, has been granted clemency or a pardon by a state or federal executive, or has made a showing of rehabilitation pursuant to Section 482.
- (c) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis of any conviction, or on the basis of the acts underlying the conviction, that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code, or a comparable dismissal or expungement. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code shall provide proof of the dismissal if it is not reflected on the report furnished by the Department of Justice.
- (d) Notwithstanding any other provision of this code, a board shall not deny a license on the basis of an arrest that resulted in a disposition other than a conviction, including an arrest that resulted in an infraction, citation, or a juvenile adjudication.
- (e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant's failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.
- (f) A board shall follow the following procedures in requesting or acting on an applicant's criminal history information:
- (1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1

(commencing with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

(2) Except as provided in paragraph (1), a board shall not require an applicant for licensure to disclose any information or documentation regarding the applicant's criminal history. However, a board may request mitigating information from an applicant regarding the applicant's criminal history for purposes of determining substantial relation or demonstrating evidence of rehabilitation, provided that the applicant is informed that disclosure is voluntary and that the applicant's decision not to disclose any information shall not be a factor in a board's decision to grant or deny an application for licensure.

(3) If a board decides to deny an application for licensure based solely or in part on the applicant's conviction history, the board shall notify the applicant in writing of all of the following:

(A) The denial or disqualification of licensure.

(B) Any existing procedure the board has for the applicant to challenge the decision or to request reconsideration.

(C) That the applicant has the right to appeal the board's decision.

(D) The processes for the applicant to request a copy of the applicant's complete conviction history and question the accuracy or completeness of the record pursuant to Sections 11122 to 11127 of the Penal Code.

(g) (1) For a minimum of three years, each board under this code shall retain application forms and other documents submitted by an applicant, any notice provided to an applicant, all other communications received from and provided to an applicant, and criminal history reports of an applicant.

(2) Each board under this code shall retain the number of applications received for each license and the number of applications requiring inquiries regarding criminal history. In addition, each licensing authority shall retain all of the following information:

(A) The number of applicants with a criminal record who received notice of denial or disqualification of licensure.

(B) The number of applicants with a criminal record who provided evidence of mitigation or rehabilitation.

(C) The number of applicants with a criminal record who appealed any denial or disqualification of licensure.

(D) The final disposition and demographic information, consisting of voluntarily provided information on race or gender, of any applicant described in subparagraph (A), (B), or (C).

(3) (A) Each board under this code shall annually make available to the public through the board's internet website and through a report submitted to the appropriate policy committees of the

Legislature deidentified information collected pursuant to this subdivision. Each board shall ensure confidentiality of the individual applicants.

(B) A report pursuant to subparagraph (A) shall be submitted in compliance with Section 9795 of the Government Code.

(h) "Conviction" as used in this section shall have the same meaning as defined in Section 7.5.

(i) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(j) This section shall become operative on July 1, 2020.

§ 480.5. APPLICATION FOR LICENSURE: INCARCERATION

(a) An individual who has satisfied any of the requirements needed to obtain a license regulated under this division while incarcerated, who applies for that license upon release from incarceration, and who is otherwise eligible for the license shall not be subject to a delay in processing his or her application or a denial of the license solely on the basis that some or all of the licensure requirements were completed while the individual was incarcerated.

(b) Nothing in this section shall be construed to apply to a petition for reinstatement of a license or to limit the ability of a board to deny a license pursuant to Section 480.

(c) This section shall not apply to the licensure of individuals under the initiative act referred to in Chapter 2 (commencing with Section 1000) of Division 2.

§ 485. PROCEDURE BY BOARD UPON DENIAL OF APPLICATION FOR LICENSE

Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived.

Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

§ 490. BOARD DISCIPLINARY ACTION; GROUNDS FOR LICENSE SUSPENSION OR REVOCATION

- (a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.
- (b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.
- (c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.
- (d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

§ 651. PUBLIC COMMUNICATION CONTAINING FALSE, FRAUDULENT, MISLEADING, OR DECEPTIVE STATEMENT, CLAIM, OR IMAGE; ADVERTISEMENTS; PENALTY

- (a) It is unlawful for any person licensed under this division or under any initiative act referred to in this division to disseminate or cause to be disseminated any form of public communication containing a false, fraudulent, misleading, or deceptive statement, claim, or image for the purpose of or likely to induce, directly or indirectly, the rendering of professional services or furnishing of products in connection with the professional practice or business for which he or she is licensed. A "public communication" as used in this section includes, but is not limited to, communication by means of mail, television, radio, motion picture, newspaper, book, list or directory of healing arts practitioners, Internet, or other electronic communication.
- (b) A false, fraudulent, misleading, or deceptive statement, claim, or image includes a statement or claim that does any of the following:
 - (1) Contains a misrepresentation of fact.
 - (2) Is likely to mislead or deceive because of a failure to disclose material facts.
 - (3) (A) Is intended or is likely to create false or unjustified expectations of favorable results, including the use of any photograph or other image that does not accurately depict the results of the procedure being advertised or that has been altered in any manner from the image of the actual subject depicted in the photograph or image.

- (B) Use of any photograph or other image of a model without clearly stating in a prominent location in easily readable type the fact that the photograph or image is of a model is a violation of subdivision (a). For purposes of this paragraph, a model is anyone other than an actual patient, who has undergone the procedure being advertised, of the licensee who is advertising for his or her services.
- (C) Use of any photograph or other image of an actual patient that depicts or purports to depict the results of any procedure, or presents “before” and “after” views of a patient, without specifying in a prominent location in easily readable type size what procedures were performed on that patient is a violation of subdivision (a). Any “before” and “after” views (i) shall be comparable in presentation so that the results are not distorted by favorable poses, lighting, or other features of presentation, and (ii) shall contain a statement that the same “before” and “after” results may not occur for all patients.
- (4) Relates to fees, other than a standard consultation fee or a range of fees for specific types of services, without fully and specifically disclosing all variables and other material factors.
- (5) Contains other representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.
- (6) Makes a claim either of professional superiority or of performing services in a superior manner, unless that claim is relevant to the service being performed and can be substantiated with objective scientific evidence.
- (7) Makes a scientific claim that cannot be substantiated by reliable, peer reviewed, published scientific studies.
- (8) Includes any statement, endorsement, or testimonial that is likely to mislead or deceive because of a failure to disclose material facts.
- (c) Any price advertisement shall be exact, without the use of phrases, including, but not limited to, “as low as,” “and up,” “lowest prices,” or words or phrases of similar import. Any advertisement that refers to services, or costs for services, and that uses words of comparison shall be based on verifiable data substantiating the comparison. Any person so advertising shall be prepared to provide information sufficient to establish the accuracy of that comparison. Price advertising shall not be fraudulent, deceitful, or misleading, including statements or advertisements of bait, discount, premiums, gifts, or any statements of a similar nature. In connection with price advertising, the price for each product or service shall be clearly identifiable. The price advertised for products shall include charges for any related professional services, including dispensing and fitting services, unless the advertisement specifically and clearly indicates otherwise.
- (d) Any person so licensed shall not compensate or give anything of value to a representative of the press, radio, television, or other communication medium in anticipation of, or in return for, professional publicity unless the fact of compensation is made known in that publicity.
- (e) Any person so licensed may not use any professional card, professional announcement card, office sign, letterhead, telephone directory listing, medical list, medical directory listing, or a similar professional notice or device if it includes a statement or claim that is false, fraudulent, misleading, or deceptive within the meaning of subdivision (b).
- (f) Any person so licensed who violates this section is guilty of a misdemeanor. A bona fide mistake of fact shall be a defense to this subdivision, but only to this subdivision.

- (g) Any violation of this section by a person so licensed shall constitute good cause for revocation or suspension of his or her license or other disciplinary action.
- (h) Advertising by any person so licensed may include the following:
- (1) A statement of the name of the practitioner.
 - (2) A statement of addresses and telephone numbers of the offices maintained by the practitioner.

- (B) A statement of certification by a practitioner licensed under Chapter 7 (commencing with Section 3000) shall only include a statement that he or she is certified or eligible for certification by a private or public board or parent association recognized by that practitioner's licensing board.
- (C) A physician and surgeon licensed under Chapter 5 (commencing with Section 2000) by the Medical Board of California may include a statement that he or she limits his or her practice to specific fields, but shall not include a statement that he or she is certified or eligible for certification by a private or public board or parent association, including, but not limited to, a multidisciplinary board or association, unless that board or association is (i) an American Board of Medical Specialties member board, (ii) a board or association with equivalent requirements approved by that physician's and surgeon's licensing board prior to January 1, 2019, or (iii) a board or association with an Accreditation Council for Graduate Medical Education approved postgraduate training program that provides complete training in that specialty or subspecialty. A physician and surgeon licensed under Chapter 5 (commencing with Section 2000) by the Medical Board of California who is certified by an organization other than a board or association referred to in clause (i), (ii), or (iii) shall not use the term "board certified" in reference to that certification, unless the physician and surgeon is also licensed under Chapter 4 (commencing with Section 1600) and the use of the term "board certified" in reference to that certification is in accordance with subparagraph (A). A physician and surgeon licensed under Chapter 5 (commencing with Section 2000) by the Medical Board of California who is certified by a board or association referred to in clause (i), (ii), or (iii) shall not use the term "board certified" unless the full name of the certifying board is also used and given comparable prominence with the term "board certified" in the statement.

For purposes of this subparagraph, a "multidisciplinary board or association" means an educational certifying body that has a psychometrically valid testing process, as determined by the Medical Board of California, for certifying medical doctors and other health care professionals that is based on the applicant's education, training, and experience. A multidisciplinary board or association approved by the Medical Board of California prior to January 1, 2019, shall retain that approval.

For purposes of the term "board certified," as used in this subparagraph, the terms "board" and "association" mean an organization that is an American Board of Medical Specialties member board, an organization with equivalent requirements approved by a physician's

and surgeon's licensing board prior to January 1, 2019, or an organization with an Accreditation Council for Graduate Medical Education approved postgraduate training program that provides complete training in a specialty or subspecialty.

- (D) A doctor of podiatric medicine licensed under Article 22 (commencing with Section 2460) of Chapter 5 by the California Board of Podiatric Medicine may include a statement that he or she is certified or eligible or qualified for certification by a private or public board or parent association, including, but not limited to, a multidisciplinary board or association, if that board or association meets one of the following requirements: (i) is approved by the Council on Podiatric Medical Education, (ii) is a board or association with equivalent requirements approved by the California Board of Podiatric Medicine, or (iii) is a board or association with the Council on Podiatric Medical Education approved postgraduate training programs that provide training in podiatric medicine and podiatric surgery. A doctor of podiatric medicine licensed under Article 22 (commencing with Section 2460) of Chapter 5 by the California Board of Podiatric Medicine who is certified by a board or association referred to in clause (i), (ii), or (iii) shall not use the term "board certified" unless the full name of the certifying board is also used and given comparable prominence with the term "board certified" in the statement. A doctor of podiatric medicine licensed under Article 22 (commencing with Section 2460) of Chapter 5 by the California Board of Podiatric Medicine who is certified by an organization other than a board or association referred to in clause (i), (ii), or (iii) shall not use the term "board certified" in reference to that certification.

For purposes of this subparagraph, a "multidisciplinary board or association" means an educational certifying body that has a psychometrically valid testing process, as determined by the California Board of Podiatric Medicine, for certifying doctors of podiatric medicine that is based on the applicant's education, training, and experience. For purposes of the term "board certified," as used in this subparagraph, the terms "board" and "association" mean an organization that is a Council on Podiatric Medical Education approved board, an organization with equivalent requirements approved by the California Board of Podiatric Medicine, or an organization with a Council on Podiatric Medical Education approved postgraduate training program that provides training in podiatric medicine and podiatric surgery.

The California Board of Podiatric Medicine shall adopt regulations to establish and collect a reasonable fee from each board or association applying for recognition pursuant to this subparagraph, to be deposited in the State Treasury in the Podiatry Fund, pursuant to Section 2499. The fee shall not exceed the cost of administering this subparagraph.

- (6) A statement that the practitioner provides services under a specified private or public insurance plan or health care plan.
- (7) A statement of names of schools and postgraduate clinical training programs from which the practitioner has graduated, together with the degrees received.

 - (16) A statement, or statements, providing public health information encouraging preventive or corrective care.
 - (17) Any other item of factual information that is not false, fraudulent, misleading, or likely to deceive.
- (i) Each of the healing arts boards and examining committees within Division 2 shall adopt appropriate regulations to enforce this section in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

Each of the healing arts boards and committees and examining committees within Division 2 shall, by regulation, define those efficacious services to be advertised by businesses or professions under their jurisdiction for the purpose of determining whether advertisements are false or misleading. Until a definition for that service has been issued, no advertisement for that service shall be disseminated. However, if a definition of a service has not been issued by a board or committee within 120 days of receipt of a request from a licensee, all those holding the license may advertise the service. Those boards and committees shall adopt or modify regulations defining what services may be advertised, the manner in which defined services may be advertised, and restricting advertising that would promote the inappropriate or excessive use of health services or commodities. A board or committee shall not, by regulation, unreasonably prevent truthful, nondeceptive price or otherwise lawful forms of advertising of services or commodities, by either outright prohibition or imposition of onerous disclosure requirements. However, any member of a board or committee acting in good faith in the adoption or enforcement of any regulation shall be deemed to be acting as an agent of the state.

- (j) The Attorney General shall commence legal proceedings in the appropriate forum to enjoin advertisements disseminated or about to be disseminated in violation of this section and seek other appropriate relief to enforce this section. Notwithstanding any other provision of law, the costs of enforcing this section to the respective licensing boards or committees may be awarded against any licensee found to be in violation of any provision of this section. This shall not diminish the power of district attorneys, county counsels, or city attorneys pursuant to existing law to seek appropriate relief.
- (k) A physician and surgeon licensed pursuant to Chapter 5 (commencing with Section 2000) by the Medical Board of California or a doctor of podiatric medicine licensed pursuant to Article 22 (commencing with Section 2460) of Chapter 5 by the California Board of Podiatric Medicine who knowingly and intentionally violates this section may be cited and assessed an administrative fine not to exceed ten thousand dollars (\$10,000) per event. Section 125.9 shall govern the issuance of this citation and fine except that the fine limitations prescribed in paragraph (3) of subdivision (b) of Section 125.9 shall not apply to a fine under this subdivision.

§ 683. REPORTING NAME AND LICENSE NUMBER OF LICENSEE PROHIBITED FROM PRACTICING

- (a) A board shall report, within 10 working days, to the State Department of Health Care Services the name and license number of a person whose license has been revoked, suspended, surrendered, made inactive by the licensee, or placed in another category that prohibits the licensee from practicing his or her profession. CALIFORNIA PENAL CODE

§ 11166. CHILD ABUSE AND NEGLECT REPORTING; DUTY; TIME

- (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in the mandated reporter's professional capacity or within the scope of the mandated reporter's employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.
- (1) For purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on the person's training and experience, to suspect child abuse or neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any "reasonable suspicion" is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.
- (2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.
- (3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.
- (b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, the mandated reporter shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which the mandated reporter filed the report. A mandated reporter who files a one-time automated written report because the mandated reporter was unable to submit an initial report by telephone is not required to submit a written followup report.
- (1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure

prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

- (2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.
 - (3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.
 - (4) This section does not supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.
- (c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals the mandated reporter's failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.
- (d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of the clergy member's church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of the clergy member's church, denomination, or organization, has a duty to keep those communications secret.
- (2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.
- (3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in the clergy member's professional capacity or within the scope of the clergy member's employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

- (B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.
- (C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.
- (e) (1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of that person's professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.
- (2) A commercial computer technician who has knowledge of or observes, within the scope of the technician's professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or materials are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.
- (3) For purposes of this article, "commercial computer technician" includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.
- (4) As used in this subdivision, "electronic medium" includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.
- (5) As used in this subdivision, "sexual conduct" means any of the following:
- (A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.
- (B) Penetration of the vagina or rectum by any object.

- (C) Masturbation for the purpose of sexual stimulation of the viewer.
 - (D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.
 - (E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.
- (f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, the mandated reporter makes a report of the abuse or neglect pursuant to subdivision (a).
- (g) Any other person who has knowledge of or observes a child whom the person knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in the person's private capacity and not in the person's professional capacity or within the scope of the person's employment.
- (h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.
- (i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article. An internal policy shall not direct an employee to allow the employee's supervisor to file or process a mandated report under any circumstances.
- (2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose the employee's identity to the employer.
- (3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.
- (j) (1) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child that relates solely to the inability of the parent to

provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

- (2) A county probation or welfare department shall immediately, and in no case in more than 24 hours, report to the law enforcement agency having jurisdiction over the case after receiving information that a child or youth who is receiving child welfare services has been identified as the victim of commercial sexual exploitation, as defined in subdivision (d) of Section 11165.1.
- (3) When a child or youth who is receiving child welfare services and who is reasonably believed to be the victim of, or is at risk of being the victim of, commercial sexual exploitation, as defined in Section 11165.1, is missing or has been abducted, the county probation or welfare department shall immediately, or in no case later than 24 hours from receipt of the information, report the incident to the appropriate law enforcement authority for entry into the National Crime Information Center database of the Federal Bureau of Investigation and to the National Center for Missing and Exploited Children.
- (k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

CALIFORNIA HEALTH AND SAFETY CODE

§ 123110. INSPECTION AND COPYING; VERIFICATION OF IDENTITY; RETENTION AND QUALITY OF RECORDS; LIABILITY FOR DISCLOSURE; VIOLATIONS; PENALTIES

- (a) Notwithstanding Section 5328 of the Welfare and Institutions Code, and except as provided in Sections 123115 and 123120, any adult patient of a health care provider, any minor patient authorized by law to consent to medical treatment, and any patient's personal representative shall be entitled to inspect patient records upon presenting to the health care provider a request for those records and upon payment of reasonable costs, as specified in subdivision (k). However, a patient who is a minor shall be entitled to inspect patient records pertaining only to health care of a type for which the minor is lawfully authorized to consent. A health care provider shall permit this inspection during business hours within five working days after receipt of the request. The inspection shall be conducted by the patient or patient's personal representative requesting the inspection, who may be accompanied by one other person of their choosing.
- (b) (1) Additionally, any patient or patient's personal representative shall be entitled to a paper or electronic copy of all or any portion of the patient records that they have a right to inspect, upon presenting a request to the health care provider specifying the records to be copied, together with a fee to defray the costs of producing the copy or summary, as specified in subdivision (k). The health care provider shall ensure that the copies are transmitted within 15 days after receiving the request.
- (2) The health care provider shall provide the patient or patient's personal representative with a copy of the record in the form and format requested if it is readily producible in the requested form and format, or, if not, in a readable paper copy form or other form and format as agreed to by the health care provider and the patient or patient's personal representative. If the requested patient records are maintained electronically and if the patient or patient's personal representative requests an electronic copy of those records, the health care provider shall provide them in the electronic form and format requested if they are readily producible in that form and format, or, if not, in a readable electronic form and format as agreed to by the health care provider and the patient or patient's personal representative.
- (c) Copies of X-rays or tracings derived from electrocardiography, electroencephalography, or electromyography need not be provided to the patient or patient's personal representative under this section, if the original X-rays or tracings are transmitted to another health care provider upon written request of the patient or patient's personal representative and within 15 days after receipt of the request. The request shall specify the name and address of the health care provider to whom the records are to be delivered. All reasonable costs, not exceeding actual costs, incurred by a health care provider in providing copies pursuant to this subdivision may be charged to the patient or representative requesting the copies.
- (d) (1) Notwithstanding any provision of this section, and except as provided in Sections 123115 and 123120, a patient, employee of a nonprofit legal services entity representing the patient, or the personal representative of a patient, is entitled to a copy, at no charge, of the relevant portion of the patient's records, upon presenting to the provider a written request, and proof that the records or supporting forms are needed to support a claim or appeal regarding eligibility for a public benefit program, a petition for U nonimmigrant status under the Victims of Trafficking and Violence Protection Act, or a self-petition for lawful permanent residency under the Violence Against Women Act. A public benefit program includes the Medi-Cal program, the In-

Home Supportive Services Program, the California Work Opportunity and Responsibility to Kids (CalWORKs) program, Social Security Disability Insurance benefits, Supplemental Security Income/State Supplementary Program for the Aged, Blind and Disabled (SSI/SSP) benefits, federal veterans service-connected compensation and nonservice connected pension disability benefits, CalFresh, the Cash Assistance Program for Aged, Blind, and Disabled Legal Immigrants, and a government-funded housing subsidy or tenant-based housing assistance program.

- (2) Although a patient shall not be limited to a single request, the patient, employee of a nonprofit legal services entity representing the patient, or patient's personal representative shall be entitled to no more than one copy of any relevant portion of their record free of charge.
- (3) This subdivision shall not apply to any patient who is represented by a private attorney who is paying for the costs related to the patient's claim or appeal, pending the outcome of that claim or appeal. For purposes of this subdivision, "private attorney" means any attorney not employed by a nonprofit legal services entity.
- (e) If a patient, employee of a nonprofit legal services entity representing the patient, or the patient's personal representative requests a record pursuant to subdivision (d), the health care provider shall ensure that the copies are transmitted within 30 days after receiving the written request.
- (f) This section shall not be construed to preclude a health care provider from requiring reasonable verification of identity prior to permitting inspection or copying of patient records, provided this requirement is not used oppressively or discriminatorily to frustrate or delay compliance with this section. This section does not supersede any rights that a patient or personal representative might otherwise have or exercise under Section 1158 of the Evidence Code or any other provision of law. This chapter does not require a health care provider to retain records longer than required by applicable statutes or administrative regulations.
- (g) (1) This chapter shall not be construed to render a health care provider liable for the quality of their records or the copies provided in excess of existing law and regulations with respect to the quality of medical records. A health care provider shall not be liable to the patient or any other person for any consequences that result from disclosure of patient records as required by this chapter. A health care provider shall not discriminate against classes or categories of providers in the transmittal of X-rays or other patient records, or copies of these X-rays or records, to other providers as authorized by this section.
- (2) Every health care provider shall adopt policies and establish procedures for the uniform transmittal of X-rays and other patient records that effectively prevent the discrimination described in this subdivision. A health care provider may establish reasonable conditions, including a reasonable deposit fee, to ensure the return of original X-rays transmitted to another health care provider, provided the conditions do not discriminate on the basis of, or in a manner related to, the license of the provider to which the X-rays are transmitted.
- (h) Any health care provider described in paragraphs (4) to (10), inclusive, of subdivision (a) of Section 123105 who willfully violates this chapter is guilty of unprofessional conduct. The state agency, board, or commission that issued the health care provider's professional or institutional license shall consider a violation as grounds for disciplinary action with respect to the licensure, including suspension or revocation of the license or certificate.

- (i) This section prohibits a health care provider from withholding patient records or summaries of patient records because of an unpaid bill for health care services. Any health care provider who willfully withholds patient records or summaries of patient records because of an unpaid bill for health care services is subject to the sanctions specified in subdivision (h).
- (j) (1) Except as provided in subdivision (d), a health care provider may impose a reasonable, cost-based fee for providing a paper or electronic copy or summary of patient records, provided the fee includes only the cost of the following:
 - (A) Labor for copying the patient records requested by the patient or patient's personal representative, whether in paper or electronic form.
 - (B) Supplies for creating the paper copy or electronic media if the patient or patient's personal representative requests that the electronic copy be provided on portable media.
 - (C) Postage, if the patient or patient's personal representative has requested the copy, or the summary or explanation, be mailed.

(V) An injury to the genitals when the cause of the injury is undetermined.

(VI) A broken bone when the cause of the break is undetermined.

(iii) When a local law enforcement agency receives an initial report of suspected or alleged abuse or neglect in a state mental hospital or a state developmental center pursuant to clause (i), the local law enforcement agency shall coordinate efforts with the designated investigators of the State Department of State Hospitals or the State Department of Developmental Services to provide the most immediate and appropriate response warranted to investigate the mandated report. The designated investigators of the State Department of State Hospitals or the State Department of Developmental Services and local law enforcement agencies may collaborate to develop protocols to implement this clause.

(iv) Except in an emergency, the local law enforcement agency shall, as soon as practicable, report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse.

(v) Notwithstanding any other law, a mandated reporter who is required to report pursuant to Section 4427.5 shall not be required to report under clause (i).

(F) If the abuse has occurred in any place other than a long-term care facility, a state mental hospital, or a state developmental center, the report shall be made to the adult protective services agency or the local law enforcement agency.

(2) (A) A mandated reporter who is a clergy member who acquires knowledge or reasonable suspicion of elder or dependent adult abuse during a penitential communication is not

subject to paragraph (1). For purposes of this subdivision, “penitential communication” means a communication that is intended to be in confidence, including, but not limited to, a sacramental confession made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization is authorized or accustomed to hear those communications and under the discipline tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

- (B) This subdivision shall not be construed to modify or limit a clergy member’s duty to report known or suspected elder and dependent adult abuse if he or she is acting in the capacity of a care custodian, health practitioner, or employee of an adult protective services agency.
 - (C) Notwithstanding any other provision in this section, a clergy member who is not regularly employed on either a full-time or part-time basis in a long-term care facility or does not have care or custody of an elder or dependent adult shall not be responsible for reporting abuse or neglect that is not reasonably observable or discernible to a reasonably prudent person having no specialized training or experience in elder or dependent care.
- (3) (A) A mandated reporter who is a physician and surgeon, a registered nurse, or a psychotherapist, as defined in Section 1010 of the Evidence Code, shall not be required to report, pursuant to paragraph (1), an incident if all of the following conditions exist:
- (i) The mandated reporter has been told by an elder or dependent adult that he or she has experienced behavior constituting physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect.
 - (ii) The mandated reporter is not aware of any independent evidence that corroborates the statement that the abuse has occurred.
 - (iii) The elder or dependent adult has been diagnosed with a mental illness or dementia, or is the subject of a court-ordered conservatorship because of a mental illness or dementia.
 - (iv) In the exercise of clinical judgment, the physician and surgeon, the registered nurse, or the psychotherapist, as defined in Section 1010 of the Evidence Code, reasonably believes that the abuse did not occur.
- (B) This paragraph shall not be construed to impose upon mandated reporters a duty to investigate a known or suspected incident of abuse and shall not be construed to lessen or restrict any existing duty of mandated reporters.
- (4) (A) In a long-term care facility, a mandated reporter shall not be required to report as a suspected incident of abuse, as defined in Section 15610.07, an incident if all of the following conditions exist:
- (i) The mandated reporter is aware that there is a proper plan of care.
 - (ii) The mandated reporter is aware that the plan of care was properly provided or executed.
 - (iii) A physical, mental, or medical injury occurred as a result of care provided pursuant to clause (i) or (ii).

(iv) The mandated reporter reasonably believes that the injury was not the result of abuse.

(B) This paragraph shall not be construed to require a mandated reporter to seek, nor to preclude a mandated reporter from seeking, information regarding a known or suspected incident of abuse prior to reporting. This paragraph shall apply only to those categories of mandated reporters that the State Department of Public Health determines, upon approval by the Bureau of Medi-Cal Fraud and Elder Abuse and the state long-term care ombudsman, have access to plans of care and have the training and experience necessary to determine whether the conditions specified in this section have been met.

- (c) (1) Any mandated reporter who has knowledge, or reasonably suspects, that types of elder or dependent adult abuse for which reports are not mandated have been inflicted upon an elder or dependent adult, or that his or her emotional well-being is endangered in any other way, may report the known or suspected instance of abuse.
- (2) If the suspected or alleged abuse occurred in a long-term care facility other than a state mental health hospital or a state developmental center, the report may be made to the long-term care ombudsman program. Except in an emergency, the local ombudsman shall report any case of known or suspected abuse to the State Department of Public Health and any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.
- (3) If the suspected or alleged abuse occurred in a state mental health hospital or a state developmental center, the report may be made to the designated investigator of the State Department of State Hospitals or the State Department of Developmental Services or to a local law enforcement agency. Except in an emergency, the local law enforcement agency shall report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.
- (4) If the suspected or alleged abuse occurred in a place other than a place described in paragraph (2) or (3), the report may be made to the county adult protective services agency.
- (5) If the conduct involves criminal activity not covered in subdivision (b), it may be immediately reported to the appropriate law enforcement agency.
- (d) If two or more mandated reporters are present and jointly have knowledge or reasonably suspect that types of abuse of an elder or a dependent adult for which a report is or is not mandated have occurred, and there is agreement among them, the telephone report or Internet report, as authorized by Section 15658, may be made by a member of the team selected by mutual agreement, and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.
- (e) A telephone report or Internet report, as authorized by Section 15658, of a known or suspected instance of elder or dependent adult abuse shall include, if known, the name of the person making the report, the name and age of the elder or dependent adult, the present location of the elder or dependent adult, the names and addresses of family members or any other adult responsible for the elder's or dependent adult's care, the nature and extent of the elder's or dependent adult's condition, the date of the incident, and any other information, including information that led that person to suspect elder or dependent adult abuse, as requested by the agency receiving the report.

- (f) The reporting duties under this section are individual, and no supervisor or administrator shall impede or inhibit the reporting duties, and no person making the report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting, ensure confidentiality, and apprise supervisors and administrators of reports may be established, provided they are not inconsistent with this chapter.
- (g) (1) Whenever this section requires a county adult protective services agency to report to a law enforcement agency, the law enforcement agency shall, immediately upon request, provide a copy of its investigative report concerning the reported matter to that county adult protective services agency.
- (2) Whenever this section requires a law enforcement agency to report to a county adult protective services agency, the county adult protective services agency shall, immediately upon request, provide to that law enforcement agency a copy of its investigative report concerning the reported matter.
- (3) The requirement to disclose investigative reports pursuant to this subdivision shall not include the disclosure of social services records or case files that are confidential, nor shall this subdivision be construed to allow disclosure of any reports or records if the disclosure would be prohibited by any other provision of state or federal law.
- (h) Failure to report, or impeding or inhibiting a report of, physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, is a misdemeanor, punishable by not more than six months in the county jail, by a fine of not more than one thousand dollars (\$1,000), or by both that fine and imprisonment. Any mandated reporter who willfully fails to report, or impedes or inhibits a report of, physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, if that abuse results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until a law enforcement agency specified in paragraph (1) of subdivision (b) of Section 15630 discovers the offense.
- (i) For purposes of this section, "dependent adult" shall have the same meaning as in Section 15610.23.
