

## New Rental Car Contract - Effective September 30, 2020

Dear Travel Customers,

The State of Florida, Department of Management Services, has entered into a new rental car contract. The new contract is effective September 30<sup>th</sup> 2020 and is with Avis Budget Group, Inc

The current contract with Enterprise expires on September 29<sup>th</sup> 2020; therefore, Enterprise/National will no longer honor those rates effective September 30<sup>th</sup> 2020. Please see **important** steps below per Department of Management Services website to handle any existing or new reservations.

1. **Car Renters with current and active reservations with Enterprise that extend beyond Tuesday, September 29, 2020:**
  - DMS staff will reach out to your employees who have business reservations to facilitate a transfer of an existing reservation to Avis.
  - Leisure car rental reservations must be transferred by the car renter.
2. **Car Renters with existing reservations with Enterprise that begin after Tuesday, September 29, 2020:**
  - Car renters must contact Enterprise and cancel their existing reservation and call Avis to make a new reservation.
  - Please note, existing reservations with Enterprise that begin after Tuesday, September 29, 2020, will not automatically transfer to Avis. DMS staff will not reach out to car renters with existing reservations that begin after Tuesday, September 29, 2020, to facilitate a reservation transfer to Avis.
3. **Car Renters seeking to make a new reservation with Avis for dates after Tuesday, September 29, 2020:**
  - Car renters may begin making future reservations with Avis.
  - Please note, there may be a delay in reflecting accurate rental rates until after the state term contract becomes effective. The correct rental rate will be reflected at the time of reservation.
