Morehead Memorial Hospital is a part of the CHAAG group that will oversee and facilitate these actions plans for the next 3 years. In addition to that support, below are specific ways Morehead Memorial Hospital will support and assist in the implementation of the county wide action plans:

Integrated Healthcare Project

- Support the program by assisting in the identification of patients who could benefit from this project, make referrals to this new program, provide follow-up data and statistics to track effectiveness, collaborate on improvements and help establish best practices.
- Provide awareness & education for staff on this new program. Include Emergency Department Staff, Case Management Staff, Nursing Supervisors, etc.

Creation of Countywide Physician Recruitment Incentive Package

- Assist in developing the package by reaching out to local businesses and organizations to offer incentives for new Primary Care Providers.
- Utilize incentive packages in recruitment efforts.
