

I. INTRODUCTION

CY 2014 is a new milestone for the region in continuously adopting new challenges in the implementation of Social Welfare and Development programs and services specifically to the core social protection programs, projects and services of the Department to the poor, disadvantaged and vulnerable individuals and groups towards an improved quality of life.

The Region strengthened and sustain partnerships with CSOs and SWDAs that paves the way for a mutual sharing of skill, transfer of technologies, and resource augmentation for the partners which can support the Department in the implementation of its core poverty reduction programs. As part of the endeavor, the region never stops to perform its mandates and accomplished its deliverables despite many challenges.

No left behind is the continuous implementation of Community-Based and Residential/Center-Based programs and services as well as special projects such as the Comprehensive Program for Street Children, Street Families and Indigenous People Especially Bajaus, Modified Conditional Cash Transfer for Homeless Street Families and among others.

The Field Office also aims to impart the significance of the Strategic Goals to all staff and even clients as the key steps in transforming the lives of the poor and vulnerable sectors towards achieving the vision of the Department to be the world standards on the delivery of programs and services.

Likewise, it is good to note also as one of the major breakthrough and milestone of the Region was the passage and approval of the Sub-Committee on Social Protection under Regional Development Council - Social Development Council per RDC-SDC Resolution No. 14, Series of 2014.

The Unified Results-Based Monitoring and Evaluation System (URBMES) was also introduced and cascaded to all Division/Center/Residential Care Facility/Units/Sections of the Region to have accurate and realistic measure in accounting and monitoring the accomplishments of the Department toward its target.

Lastly, continues partnership and coordination with other stakeholders were done to ensure effective and efficient delivery of services to the disadvantaged and marginalized sector in Region. Likewise, continues to implement activities, programs and projects and provide services along different Major Final Outputs (MFOs) based on the Thrust and Directions of the Department.

And with the new programs and projects and the significant milestone happening this 2014, the Field Office will continue to deliver faster, better and smarter services with rigor and vigor. Highlights of these accomplishments were contained in this report.

2. Social Technology (Pilot Project)

2.1 For Replication

a. Modified Social Stress Model

Muntinlupa City expressed their willingness to replicate the Modified Social Stress Model for implementation to their locality. Latest update is the passage of

a City Resolution which will strongly support the funding requirements of the project.

2.2 For Pilot Testing

a. Recovery and Reintegration Program for Trafficking in Persons

The region continuously implements this social technology project. For the 1st quarter, the region provided livelihood assistance to 19 clients, financial assistance to 12 clients, and transportation assistance to 1 client. The region also had two (2) coordination meetings – one was conducted on January 23, 2014 for internal staff and one was an Inter-Agency Committee meeting on February 6, 2014. Said meetings were conducted mainly to address issues and concerns on rescue operations.

b. Healing and Grief Management Approach

Linkaging and Networking Meeting have been continuously conducted to implement this project. Peer support mentors and Grief Watch Volunteers continuously help in this project and in return, they were given transportation assistance.

c. Music and Arts Therapy

To enhance the implementation of this project, the region participated in two meetings initiated by Central Office. This facilitated the provision of new directions of the implementation of this project particularly the assessment of clients involved in this projects and identification of new clients.

d. Supervised Independent or Group Living Arrangement (SIGLA)

Four clients who were placed in the nearby community through this pilot project last November 2012 were regularly being monitored. To ensure continuous case management, a houseparent was tasked to accompany them at night. However, during this quarter, the clients were returned to Marillac Hills because sampaguita farming at EGV as their source of income has stopped. Further, one client was discharged and was reintegrated to her aunt while another client will be discharged and be reintegrated to her grandmother.

e. Ako'y Kasali

For this quarter, the Child Participation Council under Ako'y Kasali has 34 members. They display high level of participation through child-led projects and activities in the center. The Region served a total of 107,747 clients. Among the cases served, Family Heads and Other Needy Adults (FHONA) has the highest number with 81,936 or 76.04%, followed by Senior Citizen with 17,275 or 16.03% and Youth with 3,657 or 3.39% of the total number of clients served.

Adoption Resource and Referral Services**Served for Adoption**

For the CY 2014, a total of **266** Prospective Adoptive parents were served by the FO-NCR Adoption Resource and Referral Section (ARRS). Out of this number, 155 or 58.27 % were carry-over cases and 111 or 49.11 % were new cases. The annual target was already over shoot by the Section.

There were 41 or 12.23 % closed cases during this period as **24** cases of adoption were favorably granted by the court with decision & Finality while **17** cases were withdrawn/disapproved as they shifted to foster care and undecided if they are going to pursue their application due to family concerns. **57** cases for assessment compliance to required documents and husband is still abroad (OFW & aboard vessel) pending completion of interview. **16** cases have been approved & awaiting schedule for presentation at National Matching Conference. **147** cases for legalization of adoption were being heard to various family courts in Metro-Manila. Respective Social Workers appeared in court hearing and act as expert witness. **5** cases were awaiting certification declaring the child legally available for adoption.

There were 200 children placed with permanent families and provided proper nurturance, love, care and affection. Their rights as child were protected and safeguarded.

For 2014, ARRS received 81 cases from ICAB requesting eligibility assessment of children for inter-country adoption. Out of this, thirty cases, (32) cases were closed as the dossiers were forwarded to ICAB with favorable recommendation on the eligibility of the child to be placed for adoption by relatives abroad.

Other Served Cases

A total of 449 petitions with CSR were served at FO. Out of these petitions, 172 or 38.3% were carry-over and 277 or 61.7 % were new cases. The Section has exceeded 7 or 4.5% of the annual target. As such, monitoring visit to residential facilities is being intensified to fast track the movement of the cases of children for adoption. Out of 172 carry over petitions 111 or 64.5 % received certification that children were legally available for adoption. On the 277 new filed petitions, 83 or 30% were issued certificate that children were legally available for adoption. Most of them are surrendered children. Most of the petitions filed this period were put on hold due to incomplete documents or lacking /inconsistent information.

National Matching Conference: (Endorsed Cases to SOO-Adoption SWATO)

A total of 220 dossiers of children and families were reviewed and endorsed for matching to SOO-Adoption and SWATO-DSWD Central Office. The annual target of the Region which is 40 cases for family and 180 for children were already achieved. This can be attributed to cases of independently-placed (IP) children which require the issuance of Affidavit of Consent to Adoption and Pre-Adoption Placement Authority prior to granting of adoption in court or filing of the petition in courts.

Minors Traveling Abroad

For CY 2014, FO-NCR Travel Clearance Unit has served a total of **10,405** applicants as against the target of **7,736**, or an accomplishment of **134.50%** of the target. Of this, **10,321** applications or **99.19%** of the total served were approved for Travel Clearance issuance while **84** or **.81%** applications were disapproved for reasons of birth simulation, employment of minor abroad, travelling with a person with no established relationship with the family, meeting foreign friends abroad for the first time, caregiving of minor's younger, sickly, and aged relatives abroad, sponsored by a non-relative with a questionable identity, and travelling without adult companion for tour, all which put the minor at risk for trafficking.

A total of **8,421** or **81.59%** minors came from NCR while **1,235** or **11.97%** came from other regions. Among the LGU's within Metro Manila, the top five (5) LGUs with the highest number of travelling minors who requested travel clearance from FO-NCR are **Quezon City, Manila, Caloocan City, Pasig City and Makati City** which are highly urbanized and populated cities. The bulk of minor travelers residing in other regions issued with travel clearance in FO-NCR are in Region IV-A due to the proximity of FO-NCR in their residence and considering that the applicants are already here in NCR to process their documents at the Department of Foreign Affairs or Embassies.

The top 5 most visited countries of the minor travelers are **Singapore, Hongkong, USA, Japan and UAE**. Most of the minors have traveled abroad for **vacation/tour purposes, to visit their parents or relatives working or residing abroad and as delegates/participants in**

sports/cultural/academic competitions). The usual companions of the minors are their grandparents, school officials/coaches, other relatives and immediate family. There were also 1,012 minors travelling without adult companion who were issued travel clearance.

Of the 10,321 approved travel clearance certificates issued to minors travelling abroad, 10,092 were issued with validity period of one (1) year with corresponding fees generated amounting to P3,027,600.00 while 229 requested for two (2) years validity, generating the fees in the amount of P137,400.00.

Social Pension

As of 3rd Quarter of 2014, out 13,603 target Senior Citizens to be provided with Social Pension, only 3,356 are included in NHTS list hence prioritized target of Social Pension as per compliance on the provision of GAA of 2014. To Address the bulk number of senior citizens not included in the NHTS list on the first to third quarter payout, Sec. Corazon J. Soliman issued new guidelines indicating that LGU social workers will validate and assess senior citizens qualified in the Program.

Out of the 3,356 approved beneficiaries per NHTS list, 2,000 or 60% were already provided social pension for the third quarter from 12 LGUs (Taguig, Caloocan, Makati, Muntinlupa, Navotas, Pasig, Pasay, Manila, Las Piñas, Parañaque, Malabon and Valenzuela City)

A total of Php 3,000,000.00 or 15% were utilized for the 3rd quarter CY 2014 vis - a -vis Php 20,404,000.00 total allocated amount.

Payout for those targeted senior citizens that are not in the NHTS list were scheduled until December 23, 2014 and in January 2015 for those unclaimed.

Pantawid Pamilyang Pilipino Program

Registered Beneficiaries

As of 27 November 2014, Pantawid Pamilya has been implemented in 32 Congressional Districts in 16 Cities and 1 Municipality in the National Capital Region (NCR) where a total of 235,452 households (HHs) have been registered. From the total households, the City of Manila got the most number of Pantawid Pamilya households with a total of 47,157 (20.02%) beneficiaries while San Juan got the 1,256 (0.53%) the lowest number of beneficiaries.

For Modified Conditional Cash Transfer for Homeless Street Families (MCCT-HSF), out of 2,800 target beneficiaries, 707 (25.25%) households were registered as of November 2014. From the total, Manila has the highest number of registered children with 406 (45.72%) and Valenzuela having the lowest HSF beneficiaries with only 1.

Pantawid Pamilya Systems

Pantawid Pamilya operates through three (3) major systems, namely: Beneficiary Update System (BUS), Compliance Verification System (CVS) and Grievance Redress System (GRS).

a. Beneficiary Update System (BUS)

A total of **278,894 BUS forms** were encoded and recommended by the Region to the NPMO. **Highest number** of updates received from the Field staff is the **Update No.5 Change of School/New Enrollment with 177,424 (63.61%)** children beneficiaries.

b. Compliance Verification System (CVS)

• ***Pantawid Pamilya Compliance Monitoring for January to August 2014***

| Compliance Monitoring | Compliance Rate |
|----------------------------|-----------------|
| Education (3-5) | 95.34 % |
| Education (6-14) | 97.58 % |
| Education (15-18) | 94.44 % |
| Health (0-5) | 87.45 % |
| Pregnant Women | 94.42 % |
| Deworming | 99.38 % |
| Family Development Session | 89.96 % |

• ***MCCT-HSF Monitoring for January to August 2014***

| Compliance Monitoring | Compliance Rate |
|----------------------------|-----------------|
| Education | 89.8 % |
| Health | 82.28 % |
| Family Development Session | 85.28 % |

Deworming conditionality got the **highest percentage** of compliance with the most compliant beneficiaries with **99.97- 99.98% on the period of January - June 2014** and the conditionality on **health for the 0-5 years old** beneficiaries got the **lowest percentage** with only **83.92% for the month of July-August 2014**.

For the **immunization of children aged 0-5 years old** the region had an average percentage of **89.03%** of compliance rate from P1 to P4 of 2014. This is really the most challenging conditionality for the region because it did not pass the national benchmark of 90%.
