Participants in the Explora K-5 class will achieve eight objectives

- Understand the importance of using digital text, print, and other media in early learning curriculum.
- Find Explora K-5 on the INFOhio website: [www.infohio.org](http://www.infohio.org).
- Use the navigational tools to search and browse content to find the best content for students and instruction.
- Find the instructional supports available in the resource.
- Identify strategies for integrating Explora K-5 in the classroom.
- Consider methods for sharing Explora K-5 with parents.
- Create a lesson plan to integrate Explora K-5 into instruction.
- Reflect on learning by sharing information with others.

**In this course, you will work through several lessons to learn how to access INFOhio's subscription to Explora K-5, how to use the resource, and how to integrate it into your classroom teaching. Below is a description of each lesson and the amount of time it should take for you to complete each one.**

### Getting Started

---

#### Pre-test

- **Lesson Content**

Take a quiz to find out what you know or need to know about Explora K-5.  
(5 minutes)

### Your Assignment

- **Lesson Content**

## Integrating Explora K-5 into Classroom Instruction

---

### Teaching with Explora K-5

- **Lesson Content**

Read strategies for using Explora K-5. Reflect on the practices by answering questions. (20 minutes)

#### Optional Training Activity

- Divide participants up and ask each group to read a different blog post from this lesson. Each group will share the key ideas from the post with the rest of the participants using an interactive document, post-it notes, or [Chalkboard Splash](#). (20 minutes)
- Share the **Best Practices for Digital Reading**. Discuss how these can be integrated into instruction. (15 minutes)
- Answer the discussion questions using a method found in [this blog post](#).

### Creating Lessons Using Explora K-5

- **Lesson Content**

Review lesson plans featuring Explora K-5. Create your own using a lesson plan template. (30 minutes)

#### Optional Training Activity

- In the **Creating Lessons using Explora K-5** lesson, review the sample lesson plans as a group. Point out the best practices in the lesson and ask participants to identify any other practices or activities they find that seem effective or have worked for them in the past. Ask them to evaluate the lessons based on their own classes, and to suggest ideas that might make the lessons better. Record these best practices and ideas to make the lessons better in a shared space (i.e. Google Doc, Padlet, white board, chart paper, etc.). (15 minutes)
- Lesson Plan Template – Each participant should find another person whose teaching situation is similar to their own. Give each pair a copy of the **lesson plan template** found in the Exercise Files of this Trainer Guide and direct them to begin drafting a lesson using content from Explora K-5. Begin by identifying the standards to address, and then find content from the resource that fits in with a current theme in the classroom. Encourage the participants to consider the Best Practices, discussions, and the recently brainstormed ideas about the sample lessons to include in their lesson plan. If they have identified limitations to using technology in their classroom before, encourage them to find solutions and steps to move beyond these obstacles. (30 minutes)

### Sharing Explora K-5 with Parents

- **Lesson Content**

Learn about ways to let parents know more about Explora K-5 to keep kids reading wherever, whenever. (5 minutes)
