

prepositions

A **preposition** shows the relationship that exists between a noun or pronoun and some other word in the sentence. The preposition and the noun or pronoun become the **prepositional phrase**.

Words commonly used at prepositions:

About	At	Beyond	Inside	Out	Toward
Above	Before	By	Into	Outside	Under
Across	Behind	Down	Like	Over	Underneath
After	Below	During	Near	Past	Up
Against	Beneath	Except	Of	Through	Upon
Along	Beside	For	Off	Throughout	With
Among	Besides	From	On	Till	Within
Around	Between	In	Onto	To	Without
