

Career Options Vision Board or Presentation

A *vision board* is simply a visual representation or collage of the things that you want to have, be, or do in your life. It consists of a poster or with cut-out pictures, drawings and/or writing OR a slide presentation with digital images. Creating a vision board is a creative way for you to become clear on your dreams and desires to transform them into reality.

What does a Vision Board Do?

A vision Board helps you:

- Become very clear about what you want
- Make your goals visible and connect them to the present moment
- Reminds you of what you are working toward and how to get there
- Express your personality and dreams

Instructions:

1. Imagine your future life and find pictures, quotes, drawings that represent your...
 - a. Emotions (How do you want to feel?)
 - b. Relationships (Who do you want to have close relationships with?)
 - c. Location (Where do you see yourself living – both city/town, type of dwelling?)
 - d. Recreation (What would you do for fun? Where would you like to travel?)
 - e. Lifestyle (How much money do you want to make?)
2. Imagine how you make your living. Go to [PipelineAZ](#) and research two different careers. The first should be a career in IT/Cyber security. The second can be any career you are interested in pursuing.
3. Find images and information that represent your Cyber and your Dream career...
 - a. Required Skills and Qualifications (What do you need to know for both jobs?)
 - b. Education (What education will you need for these jobs? Where will you go to school?) TIP: Start with [Pima College](#), [Maricopa College](#), [ASU](#), and [UA](#).
4. Print off images and creatively place them on your poster board. OR place digital images in a slide show.
5. Create text to describe images, thoughts or feelings.
6. Arrange the in a meaningful manner.
7. Include 2 quotes which illustrate the life you would like to live. If you are creating a slide show, find a song or two that represents the life you would like to live.
