

CRAFT YOUR OWN KITCHEN!

1. Simply cutout each of the sections below. These are your planning tools.
2. Play until your heart's content, arranging options until you've landed on that perfect combo.
3. Secure your selections in a journal for safekeeping. If you're building with us, bring this to your design appointments to inspire your meetings.

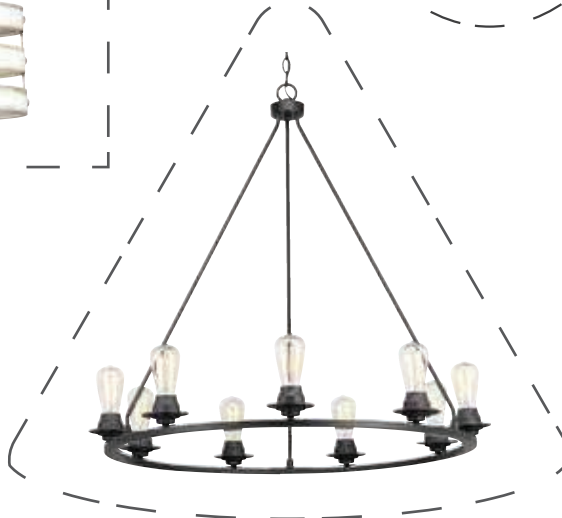

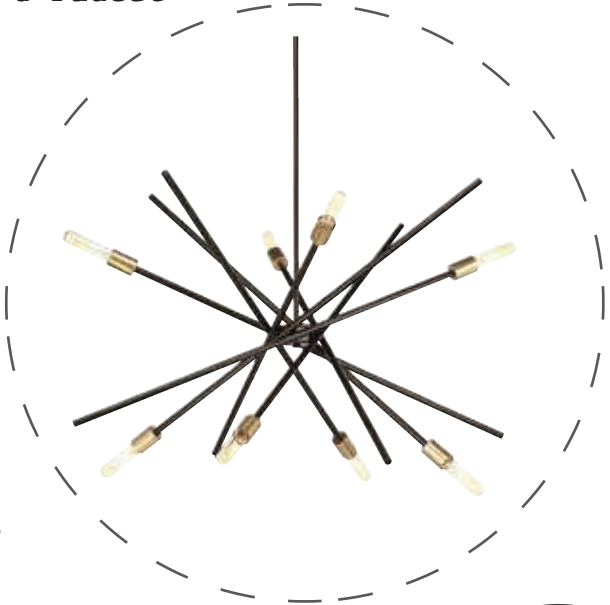

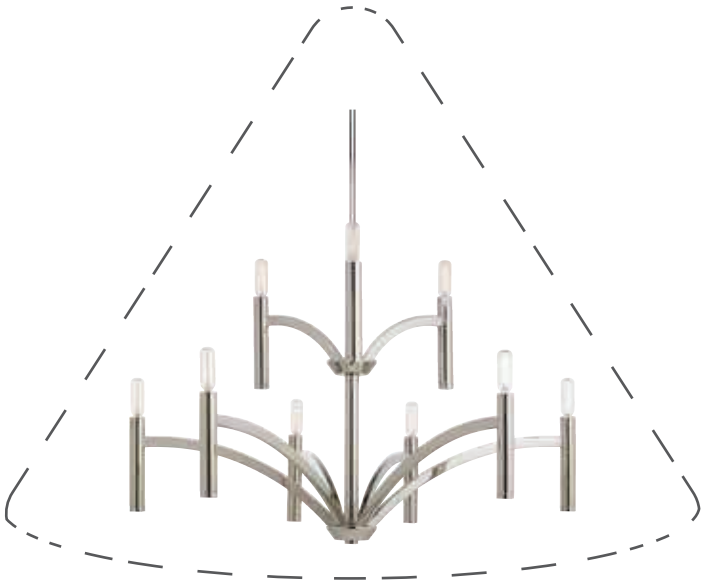

BUFFINGTON WINTER DREAM BOARD!

- Looking for a fun winter activity? Create a dreamboard for your next home with the help of Buffington!
- We've designed five packets that feature key elements of a home: the exterior, color schemes, owner's retreat, kitchen, and cozy fireplace.
- They're all free and available to download from our website, just like this one!
