¹ Namely the existence of a prima facie case, reasonable prospects of conviction and that a prosecution is in the public interest.

² The conviction rate is the percentage of defendants convicted in prosecutions which proceeded to a decision or verdict. The calculation does not include defendants where the OWHSP determined not to commence a prosecution or discontinued a prosecution prior to decision or verdict. 'Conviction' includes any finding of guilt, and is not limited to prosecutions in which a conviction is recorded. It also includes prosecutions with multiple charges, where at least one charge is proven.
