

## Dallas Decker

260-571-4014 [dallrush@icloud.com](mailto:dallrush@icloud.com) 839 W. Hill ST. Wabash IN. 46992

**Objective** I am seeking the industrial electrician position you have advertised

**Experience** Electrician, Chrysler LLC, 2401 S. Reed RD. 46902 Kokomo IN.  
From 2/17/14 - present  
I am presently an electrician. My duties include PMs, and troubleshooting, including automated robotic distribution systems, conveyors, cnc machines. As an electrician troubleshooting issues I must also be aware of all mechanical errors in machine and assist the machine repair tech when needed.

General maintenance, Wabash Castings inc. , 3837 W. Mill ST. Wabash IN.

46992 From 8/3/09 - 2/14/14 this address is currently Wabash Castings  
My duties here were all types of maintenance both mechanical to electrical. I was responsible for both foundry and machining including mullers, shaker conveyors, hydraulic systems, as well as CNC machine maintenance.

Electrician, Ford Meter Box, 775 Manchester AVE. Wabash IN. 46992  
From 6/30/08 - 6/20/09

I hired in as 3rd shift foundry electrician. I was on the preventative maintenance shift. I was ask to help the 3rd shift mechanics with their respective jobs, also doing electrical pms, and covering the daily start up of mold lines electrically trouble shooting any start up errors.

General maintenance, Wabash Castings inc. same address as above  
From 8/2/1993 - 6/16/08

I hired in as a laborer in the foundry in 2004. While still a laborer, I began taking maintenance courses at ivy tech in Wabash in 2005. I began as a general maintenance technician in the foundry again at Harvey, techs cover all aspects of repair and P.M. tasks.

Please note I have never been an employee of Wabash Castings at the times I have been employed there it has been CMI, Hayes Lemmerz, and Harvey industries, all the same facility that is presently called Wabash Castings inc.
