

Abiotic and Biotic Factors Video Worksheet

Grade 5

Watch the video **Abiotic and Biotic Factors**.

Answer the following questions while you are watching the video:

1. What 2 things does an ecosystem contain?

2. What are biotic factors? Give 2 examples.

3. What are abiotic factors? Give 2 examples.

4. Give 1 example of how biotic and abiotic factors interact.

5. When the video is done, look outside and identify examples of interaction between biotic and abiotic factors. Draw a picture of what you see.
