

Customer IP Address Allotment & Justification Form

Pc Care Airway Infratel Pvt. Ltd. (Brand "Airway & FiberOne Broadband") provides Wireless and Wire line & Optical Fiber Internet connectivity to its customers . Any customer using the PC Care Airway Infratel network for accessing the Internet are allocated IP addresses in the public IP address space allocated to PC Care Airway Infratel by APNIC (Asia Pacific Network information Centre) and IRINN (Indian Registry for Internet Names and Numbers). IRINN and APNIC is the organization responsible for managing and authorizing allocation of IP addresses in the Asia Pacific region including India.

All the IP addresses allocated by PC Care Airway Infratel to its customers have to be justified to APNIC and IRINN. By default PC Care Airway Infratel allocates a /29 IP address block (8 IP addresses), which will support typical requirements for most customers (e.g. DNS server, Mail server, Web server, and 100 workstations).

PC Care Airway Infratel is required to justify IP address assignment to APNIC and IRINN to ensure adherence to policies and guidelines set by APNIC and IRINN for responsible use of IP address space. Airway or any other access service provider does not own IP addresses. They are allocated / assigned to customers based upon documented justification. Airway will make necessary allocations within 7 business days of the completed justification for reaching us.

Please fill out the necessary details in the justification form below.

1	Organization Name	
2	Address
