

Doyle Library Book Dedications

The Book Dedication Program expands the Doyle library and makes someone feel very special.

What is the Book Dedication Program?

A book can be ordered for the Doyle library and dedicated to a child, teacher, grandparent or to any special person.

The librarian can help you select a book that would make an excellent addition to the collection.

What happens when you dedicate a book?

- A personalized bookplate is permanently placed in the book. Kids enjoy taking out books that were dedicated to them, older siblings, family members or friends in years past!
- The book is presented to your child (or the honored teacher) at a Soaring Eagle assembly and mentioned in the *Eagle Flyer*.
