

Creating an MLA Works Cited Page

MLA citations are easy once you understand the basics.

1. Start by familiarizing yourself with MLA Citation Basics at:

<https://owl.english.purdue.edu/owl/resource/747/05/>

2. Watch this 8-minute Work Cited video tutorial from Purdue OWL:

<https://www.youtube.com/watch?v=EaFcJ3f4fJk>

3. Now that you know what you are looking at when it comes to an MLA Works Cited Page, please take a moment to look at this sample works cited page:

<https://owl.english.purdue.edu/owl/resource/747/12/>

5. If you have any more questions about MLA Work Cited pages please check out Owl Purdue's website: <https://owl.english.purdue.edu/owl/resource/747/01/>. It is a great resource that has a plethora of examples and explanations.
