

About Me PowerPoint

Assignment: You will create a PowerPoint presentation to learn the basics of PowerPoint while also introducing yourself to Mrs. Taylor and the class. You will be graded on following directions as far as content to include in your PowerPoint, use of PowerPoint and simple design elements, and also presenting your PowerPoint. The grading rubric is available as you design so you can understand what is required.

Content: You will have 10 slides in your presentation. Here is the information that needs to be included on each slide.

Slide 1: Title slide should have your name, year (freshmen, sophomore, junior, senior), your age, and a picture of you

Slide 2: Information about Family/Pets

Slide 3: Something about last summer

Slide 4: Techno self – Describe your technology use ideas can include: type of computer, favorite sites, are you a gamer, apps you use, social media presence, smart phone use, Rate your self using the following scale:

1- can't live without technology

2- I use it daily but don't feel the need to be connected at all times

3- I use when I have to

4- I avoid it as much as possible

Slide 5: Favorites – Choose 3 of the following topics and describe your favorite in that topic

• Books

• Actor/actresses

• School Subject

• Music

• Food

• Teacher

• TV

• Restaurants

• Hobby

• Movies

• Vacation spot

• Sport

• Cars

• Snack food

• Candy

Slide 6 and 7: Finish the quote: *"In my free time I like to....."* Putting one ending on each slide

Slide 8: Future goals / plans – these could include college, job, family, where you want to live, etc.

Slide 9: One unique/interesting thing about you

Slide 10: Credits – cite any sources you (most likely for pictures) note: if you do a Google search for pictures whatever you find comes from another site – you can **NOT** cite Google images as a source!!!

PowerPoint Tools: You will need to demonstrate that you can use the following features in PowerPoint:

- Use a template for your PowerPoint
- Apply a transition to every slide in your PowerPoint
- Use a minimum of two animations
- Apply one sound effect somewhere just to try it
- Add at least 3 pictures
- Use at least one bulleted list.

Design and Submission: Students should follow design tips included in the attached sheet. Students will need to share their final presentation with Mrs Taylor by sending the file to her shared folder on her computer. Only projects submitted this way will be presented and graded.

Presentation: Attached is a presentation tip sheet please use it to get tips on creating and presenting your PowerPoint. Some key things that I will be looking for when you present:

- You are not just reading the slides – your slides should just be bulleted points/brief text and you elaborate on these points when you present
- Your presentation is interesting
- You are speaking clearly and loudly to the audience, not facing the screen
- You sound like you have rehearsed/planned what you intend to say for each slide
