

Title page template

For further information please see the [author guidelines](#) or contact the Editorial Office at jan@wiley.com

- **Short informative title**

[Max. 20 words. To contain the major key words but not abbreviations (see [Wiley's best practice SEO tips](#) and [Five Steps to a Great Title](#)). In general we do not include country names in published articles and therefore encourage you to omit these from your manuscript title]

- **Short running title**

[Max 40 characters]

- **List of all authors**

[Full names, with the last names in CAPITALS, please. Include for each author their institutional affiliations (maximum of 3 per author) Please DO NOT include any author qualifications because JAN no longer publishes these.]

- **Acknowledgments**

[If applicable]

- **[Funding Statement](#)**
