

SAMPLE BLOG PERMISSION FORM

Dear Parents,

Each grade will be creating a blog online to showcase the great work being done by students here at our school. Included in the blog will be students' selected school work, photos, audio and videos.

Your permission is needed before we can post these online.

No personal information, including surnames, will be published.

Please complete the form below and return to the school.

Thank you

Please circle the appropriate response:

I/We do not give / give permission for the photographic, video, audio and any other form of electronic recording of my child to be published online.
