Introduction

Summing up the way you feel about a person is the hardest thing. But unlike speech, a letter gives you a chance to think and choose the best words to make the reader blush. When you write a love letter, there is no right way or wrong way.

Love letter template Tips

Tips to write

- All you need to do is keep the letter honest and straight from the heart. If you had a smile on your face while writing it, you can be sure that the reader will have a smile on his or her face, too

My adorable Sonia,

How can I ever tell you what you mean to me? Ever since we have been together, life just seems wonderful. Everything seems perfect around me. Seeing you smile and feeling your warmth every time you are near me reminds me of how lucky I am to have you in my life.

I cherish our friendship more than anything else. But, I have a confession to make. Along the path, I have realized that you are the woman of my dreams. Yes, I am in love with you. I really do not know how or when this happened but all I know is that it feels right. I know that I can keep you happy forever. Dear Sonia, will you take the risk and be mine?

All I can tell you is that when I say I love you, I mean it with all of my heart and soul.

Love,

Jack
