

Monique Dyers, Professional Bio
Senior Engineer and Energy Consultant

Monique Dyers is a Senior Engineer and Energy Consultant of AWS Truepower, LLC with 10 years of experience in the energy and power generation industry. In addition to her role as an energy professional, Monique also serves as the Events Director for the Urban Leadership Foundation of Colorado, an organization dedicated to the education and advancement of future minority leaders.

As a Senior Engineer and Energy Consultant, Monique is responsible for technical evaluations, independent engineering and due diligence reviews in the financing support of utility-scale power and renewable energy projects. Monique's clients include financial institutions, investors and developers who are interested in understanding their technical and commercial risk prior to offering a financial contribution toward an energy project. She has also successfully led and managed global teams in the development, performance validation and manufacturing of equipment used in energy and power generation. Her attention to detail, leadership skills and analytical capabilities have been demonstrated in her technical contributions to energy projects installed worldwide. Prior to joining AWS Truepower, LLC, Monique held several engineering and leadership positions within other organizations, including Luminate LLC, Vestas Wind Systems A/S and Caterpillar Inc. Monique is a certified Six Sigma Green Belt.

As a successful and accomplished energy professional and business leader, Monique utilizes her expertise to serve as part of the executive team of the Urban Leadership Foundation of Colorado where she helps to influence and develop future leaders. In addition to her work with the Urban Leadership Foundation of Colorado, Monique serves as a mentor and instructor to underprivileged students in the areas of mathematics and science. Her passion for community is also demonstrated in her contribution and dedication to several groups and organizations. Monique serves as a board member of Colorado's Utility Consumers' Board and Friends of the Blair-Caldwell African American Research Library. She was recently appointed as a member to the City and County of Denver Sustainability Advisory Council. Monique has been recognized for her professional contributions by the Denver Business Journal as a recipient of the 2014 Forty Under 40 Award.

During Monique's tenure at Louisiana State University and A&M College, Monique served as the President of her Sorority, Zeta Phi Beta Sorority Incorporated and was also initiated into the Mathematics Honor Society, Pi Mu Epsilon. She is also recognized as establishing a local Woman in Engineering Networking group at her previous employer, Caterpillar Inc.

Monique holds a Bachelor of Science in Electrical Engineering, Minor in Mathematics from Louisiana State University A&M College and a Masters of Science in Electrical Engineering from Southern University and A&M College.
