

**DIFFERENT WAYS OF GIVING**  
**TELL ME ABOUT YOURSELF**  
**(JOB INTERVIEW)**

# TELL ME ABOUT YOURSELF (JOB INTERVIEW)

Tell me about yourself in a job interview will lead the interview to be good or bad and will show how prepared and how convincing you can be once you're talking.

Things to AVOID or ARE NOT NECESSARY TO REPEAT in this case:

**Say full name / Age / Where do you live / Studies, Why?** The person already know that information from your resume...

It is also important to have more that one tell me about yourself, since the moment that we don't really want to sound generic or robotic also there is no need to begin with a story of yourself, because that story takes too much time when you talk and makes the answer longer.

But it's important to mention that when you say any of those, YOUR PERSONALITY MATTERS A LOT, since is the way you will express for the first time.

# REMEMBER...

- ALWAYS SHOW THE BEST ATTITUDE
- ALWAYS WITH VERY GOOD BODY LANGUAGE
- ALWAYS WITH A LOT OF ENERGY
- ANSWER NEEDS TO BE BETWEEN 45 SECONDS UP TO A MINUTE
- MAKE PAUSES AND DON'T RUSH IT
- MAKE IT CONVERSATIONAL MOST OF THE TIME
- DON'T BE AFRAID TO BE YOURSELF!!!
  
- DON'T USE I THINK/WOULD/GUESS/SUPPOSED, IT SOUNDS LACKING OF CONFIDENCE

# TELL ME ABOUT YOURSELF - 1

Well, as you see in my resume, my name is Oscar, and what I can say about me is that I'm the type of person who likes to talk a lot to people, I can say that I can make friends everywhere, but also I'm someone who wants to grow as a professional that's why I want to work here because I know that I can grow as a professional and also I can learn a lot from this type of working environment, I have developed some of the skills that your company needs, like listening, typing, computer skills and others, because I really want to work here in this company.

## **TELL ME ABOUT YOURSELF - 2**

What I can say is that I'm Oscar and I'm here because I have studied and practiced English a lot for this moment and besides that, I have learned some techniques that will help me to apply in this call center, I'm a team player, and I know that will help me a lot to be able to work with others, since your company is looking for team worker people in order to provide results, maybe I don't have enough experience, but I have learned and practiced a lot in order to show you that I can do it... I can say that I will be able to develop any task that you assign me, in other words I can start at any time if you want, that says how hard I need this job.

## TELL ME ABOUT YOURSELF - 3

Well to start I can say everybody calls me Oscar and you can call me like that if you want, I don't really mind, I can say that I'm here because I want to work in your company and I want to show myself that I'm capable to do it, since I've gained as much as I can to be able to do a very good job in your company, I have learned what's teamwork, what's performance, what's customer service and more, so I'm here to be able to get a chance to provide results and grow as a professional and also to earn money, which is very important right? Because what drives me is the ambition to be better and that will make me be the person you want.

## **TELL ME ABOUT YOURSELF - 4**

To begin my name is Oscar Montes and I know that you may be expecting from me to say a lot of things about myself and I understand that might be important, but... What about if today, I want to say something different, may I? Because I know that you want people with a very good English, we can say excellent English, I know that probably I don't have the best English ever, but you know what I do have? I have the willingness, the commitment and also the ability and the availability to work under any circumstances and you may ask why? The answer is very simple... I need money and also I want to improve myself by learning something different that at the end will make me grow as a person and as a professional and if you give me the chance I will show you that.

## **TELL ME ABOUT YOURSELF - 5**

Ok, I will say that, first of all my name is Oscar Montes, and I want to mention something and I don't want it to sound rude or anything, but even though that I'm coming from an academy, I'm not representing the academy, I'm representing myself and basically I would really ask you to don't see the academy on me please, I want to demonstrate by my development in this interview that I'm really capable to apply in your company, because I know myself very well and I have gotten the necessary knowledge in terms of call center and working environment to be able to get hired, I have the capabilities, abilities, knowledge and willingness to work here, since I really need the job and also because I want to grow here and help my love ones.
