I'll Be There
by JJ Cale

There ain't no chains strong enough to hold me

Ain't no breeze big enough to slow me

Never have seen a river that's too wide

There ain't no jail tight enough to lock me

Ain't no man big enough to stop me

I'll be there if you ever want me by your side

There ain't no rope stout enough to bind me

Look for me, honey, you will find me

Any old time, get ready with your charm

I'll be there ready and a-waiting

There won't be any hesitating

I'll be there if you ever want me in your arms

Love me, if you're ever going to love me

Never have seen a road too rough to ride

There ain't no chain strong enough to hold me

Ain't no breeze big enough to slow me

I'll be there if you ever want me by your side
