

Speech from the Bride

Good evening everyone. As I stand here tonight looking around the room at all of you, I feel so blessed, and I know that Jack does too.

I'd like to thank Jack's mom and dad, Ron and Gina, for putting this lovely rehearsal dinner together for us. We truly appreciate it. And I want to thank you both for welcoming me into your family as well. I'm so happy to have another set of parents to love and rely on.

To my parents, Michael and Linda Warner, I want to take this opportunity before we all get caught up in the wedding festivities tomorrow to thank you for everything you've done for us. I hope you know how much we love you.

To everyone else, thank you all for being part of our celebration and for helping us make our dream wedding a reality.
