Dear Mr. Doe,

I am writing to apply for the role of Mary in "The New Play." Having performed in various theater productions over the past three years, I believe my passion for storytelling, my diverse acting skills, and my dedication to my craft make me a perfect fit for this role.

In my recent role as Laura in "The Glass Play," I was commended for my ability to connect with the character and bring authenticity to the performance. I am drawn to Mary's complexity in "The New Play" and am eager to bring my unique interpretation to this character.

Thank you for considering my application. I look forward to the opportunity to audition and hopefully work with you on this exciting project.

Sincerely,

Jane Smith
