
Casual Resignation Letter Format

Dear [Manager's Name],

Remember when I first walked through these doors? Feels like yesterday and forever ago all at once! As life would have it, it's time for my next chapter. My official goodbye to the [Company Name] crew will be on [Last Working Day]. Let's keep the spirits high till then, and maybe, have one of those epic team lunches?

To all the fun and challenges,

[Your Name]
