# Employee Funny Resignation Letter Example

Dear [Team Leader's Name],

I've decided to break up with the office coffee machine and start a new chapter. Yes, it's true. Our love (my love for coffee) was legendary, but it's time to explore other brews out there. I'll always cherish our (mine and the coffee's) steamed moments together. By the way, this also means I'm leaving the job. Will drop by for occasional coffee dates!

Stay caffeinated,

[Your Name]
