# Entry Level Project Cover Letter Example

Subject: Application for the Entry Level Project Manager Position

Dear Hiring Manager,

I am thrilled to apply for the entry-level Project Manager position advertised in your company. As a recent graduate in Project Management from XYZ University, I possess a strong academic background in project planning and execution.

During my time at the university, I successfully managed a team project where we developed a mobile application for a local charity. I believe this experience has equipped me with the necessary skills to contribute positively to your esteemed organization.

Thank you for considering my application. I am eager to bring my fresh perspective and energy to your team.

Yours sincerely,
