
Family Reasons Resignation Letter for Nurse Job

Dear [Manager's Name],

I am writing this letter with a heavy heart, but with utmost respect for the nursing profession and this esteemed institution. Over the past few years, I have dedicated myself to providing the best care possible to our patients. However, recent changes in my family circumstances require my full attention and, as a result, I must resign from my position as a nurse effective [last working date, e.g., September 30, 2023].

My family has always been supportive of my decision to pursue nursing. They celebrated with me through every milestone and shared my passion. Now, it's my turn to support them in their time of need. I wish I could carry out my responsibilities both at home and work, but the nature of my current situation won't permit this.

I am forever grateful for the opportunities and knowledge I have gained here. I'll cherish every moment spent with my colleagues and patients. I promise to hand over all my duties responsibly and assist in the transition.

Thank you for understanding.

Sincerely, [Your Name]
