# Fresh Engineering Graduate Cover Letter Example

Dear [Hiring Manager's Name],

I'm writing to apply for the [Job Title] position at [Company Name], as advertised on [Job Advertisement Source]. I recently graduated from [University Name] with a Bachelor's degree in [Engineering Discipline].

During my time at university, I worked on a project [describe the project and your role], which helped me develop practical skills in [mention specific engineering skills]. In addition, my internship at [Company Name] allowed me to gain hands-on experience in the field.

I am eager to contribute my energy, dedication, and technical skills to your esteemed company. Thank you for considering my application.

Sincerely,
[Your Name]
