# Fresh Graduate Cover Letter for Accounting Example

Dear [Hiring Manager's Name],

I am writing to apply for the Accountant position at [Company Name] advertised on [Job Advertisement Source]. I am a recent graduate from [University Name] with a Bachelor's degree in Accounting, ready to start my career in the field.

At university, I took part in an intensive Accounting practicum where I developed strong analytical skills and familiarity with popular accounting software, such as QuickBooks and Sage. I am confident that my skills will contribute to [Company Name].

Thank you for considering my application. I look forward to the possibility of discussing it further with you.

Sincerely,  
[Your Name]
