
Fresh Graduate Cover Letter for Graphic Designer Example

Dear [Hiring Manager's Name],

I am excited to apply for the Junior Graphic Designer position at [Company Name], as advertised on [Job Advertisement Source]. As a recent graduate from [University Name] with a degree in Graphic Design, I am passionate about visual communication and eager to put my creativity to work.

In my coursework, I honed my skills in Adobe Creative Suite, which I understand is a requirement for this position. My portfolio, which I have included as an attachment, demonstrates a variety of design skills including typography, color theory, and digital illustration.

I look forward to potentially discussing my qualifications further.

Sincerely,
[Your Name]
