Dear [Employer's Name],

I am excited to apply for the Data Analyst position at [Company's Name]. As a recent graduate from [Your University's Name] with a degree in [Your Degree, preferably in a related field], I am eager to launch my career in data analysis.

In my academic career, I honed my skills in data cleaning, data visualization, and statistical analysis using tools such as SQL, R, and Python. My final year project on [describe your final year project] received praise for its clean presentation of complex data and insightful analyses.

I am confident that my strong technical skills and passion for data-driven decision making would make me a valuable addition to the [Company's Name] team.

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity further.

Yours sincerely,
[Your Name]
