Dear [Employer's Name],

I am excited to submit my application for the Mechanical Engineer position at [Company's Name]. Having recently graduated from [Your University's Name] with a degree in Mechanical Engineering, I am ready to apply my learned theories into practical experiences.

During my time at [Your University's Name], I have developed strong analytical and problem-solving skills, with an emphasis on [mention a specific area of mechanical engineering]. In addition, my internship at [Company's Name] exposed me to the professional field and enhanced my project management and teamwork skills.

I admire [Company's Name] for [mention a specific project, achievement or company value]. I believe that my innovative mindset and commitment to high-quality work make me an excellent fit for your team.

Thank you for considering my application. I look forward to discussing it further.

Best regards,
[Your Name]
