Dear [Employer's Name],

I am thrilled to apply for the entry-level Software Developer position at [Company's Name]. Having recently graduated from [Your University's Name] with a degree in [Your Degree, preferably in a related field], I am keen to apply my programming skills and passion for innovative solutions.

My coursework in [mention specific coursework] and my final project [describe final project] have equipped me with a strong foundation in [mention programming languages such as Java, Python, C++, etc.]. My time interning at [mention any internships or related experiences] allowed me to apply these skills in a practical, real-world setting.

I am confident that my technical skills, coupled with my strong problem-solving abilities, would make me a valuable addition to the [Company's Name] team.

Thank you for considering my application. I am excited about the opportunity to contribute to your team and learn from the industry's best.

Sincerely,
[Your Name]
