Subject: Application for Full-stack Developer Position

Dear [Recipient's Full Name],

I am writing to apply for the Full-stack Developer role at [Company Name]. My comprehensive understanding of both front-end and back-end technologies, combined with my ability to integrate them seamlessly, makes me a strong candidate for this position.

In my current role at [Previous Company], I have developed a platform that increased operational efficiency by 45%. My hands-on experience with various programming languages and frameworks will enable me to contribute significantly to your team's success.

Thank you for considering my application. I look forward to the possibility of joining [Company Name] and leveraging my skills to help your team achieve its goals.

Sincerely,  
[Your Full Name]
