
Funny Resignation Letter with Reason

Example

Dear [Manager's Name],

I've recently been offered a role as the chief taste tester at a chocolate factory. Yes, you read that right. Chocolate. Every day. How can a mere mortal resist? Thus, with a heavy heart (and soon to be heavier belly), I must bid adieu.

Remember me fondly as I embark on this cocoa-filled journey. And yes, I promise to send chocolates.

Sweet regards, [Your Name]
