# Graphic Design Cover Letter for Any Position Example

Dear [Hiring Manager],

As a versatile Graphic Designer, I have spent the last [number of years] developing a broad skill set that I believe will make a significant contribution to [Company Name].

In my previous role at [Previous Company], I was responsible for a variety of design tasks including [mention tasks]. This experience honed my design skills and made me a versatile designer.

I am excited about the prospect of bringing my design skills to any role within [Company Name].

Thank you for considering my application.

Best,

[Your Name]
