# Graphic Design Cover Letter for Upwork Example

Dear [Client's Name],

I came across your job posting for a Graphic Designer, and I am excited to express my interest in your project. With [mention years of experience], I have honed my skills in [mention specific design tools or techniques].

I have included a link to my online portfolio for your review. I believe my design style aligns with what you're seeking, and I am confident that I can deliver the results you desire.

Thank you for your consideration. I look forward to potentially collaborating with you on this project.

Best,

[Your Name]
