# Heartfelt Resignation Letter

Dear [Manager's Name],

As I pen down this letter, I'm overwhelmed with emotions. Today, I tender my resignation from [Company Name], to be effective on [Last Working Day]. A new personal endeavor requires my attention, leading me to make this bittersweet decision.

The years I've spent here were transformative. Every project, challenge, success, and even the setbacks have been instrumental in my growth. More than colleagues, I found a family here. Your mentorship, in particular, has been nothing short of a guiding light, shaping my perspective and approach.

Rest assured, I will do everything in my capacity to ensure a smooth transition. I leave with a heavy heart, treasuring every moment spent here.

With deepest gratitude,

[Your Name]
