## Example

Dear [Manager's Name],

As I sit to pen down this letter, a flood of memories sweeps over me. After [Number of Years of Service], it's time for me to hang up my boots and embrace the sunset phase of my life.

[Company Name] hasn't just been an office; it's been my second home. From the first project to the last team outing, every moment is etched in my heart. As I move towards retirement, I want to deeply thank you and every colleague who's been part of this beautiful journey.

Warmest regards,
