### EXPERIENCE

#### HEAVY EQUIPMENT OPERATOR

**Spear Excavating | Apr. 2015 to present**

- Maneuvered heavy equipment into loading or unloading positions, following signals from loading crew as needed; checked that the vehicle position is correct and any special loading equipment is properly positioned
- Operated equipment on public roadways, maintaining proper awareness of one's surroundings

#### HEAVY EQUIPMENT OPERATOR

**Trap Rock Industries | May 2013 to Apr. 2015**

- Conducted daily equipment checks and performed maintenance as needed including greasing, cleaning, fluid levels, and the other normal daily checks
- Maintained and updated the inventory of supplies, material, and equipment used in each project
- Ensured that work reports are prepared at the end of each day and handed over to the supervisor
- Performed a variety of pre-winter and summer maintenance activities on roads

### EDUCATION & TRAINING
