# Nursing Retirement Resignation Letter

## Example

Dear [Manager's Name],

It is with a profound mix of emotions that I submit my retirement notice from my position as a Nurse at [Hospital/Institution Name], effective [Last Working Day].

Nursing has been more than just a profession to me—it has been a calling. The countless nights, the triumphs against challenges, the bonds formed with patients and colleagues, have enriched my soul and shaped my character.

As I step away, I carry forward countless memories of healing, hope, and human connection. I will make myself available for any transitional assistance the team might need.

Thank you for allowing me to serve, learn, and grow in this noble profession.

Warmly,  
[Your Name]
