
Registered Nurse Retirement Resignation Letter

Dear [Manager's Name],

It is with mixed emotions that I formally announce my retirement from my role as a Registered Nurse at [Hospital/Institution Name], effective [Last Working Day].

Each day served at this institution reinforced my commitment to care, empathy, and the healing touch. I have been privileged to work alongside some of the finest medical professionals, witnessing miracles, enduring challenges, and celebrating triumphs.

While I hang up my scrubs, I carry forward memories of patients' smiles, colleagues' support, and the unwavering mission of [Hospital/Institution Name]. I am more than willing to assist in the transition phase and guide my successor for a brief period.

Thank you for allowing me to serve, learn, and grow in this noble profession.

Sincerely,
