
Resignation Letter due to Toxic Work Environment

Dear [Recipient's Name],

I hope this message finds you well. With a heavy heart and after careful consideration, I am tendering my resignation from my position as [Your Position], effective [Last Working Day]. Over time, I've found that the work environment here has become increasingly challenging for me, affecting both my mental well-being and professional growth.

It's essential for me to be in a space that promotes positivity, collaboration, and mutual respect. I genuinely hope the company can address these issues for the benefit of its future employees.

I am grateful for the opportunities and learning I've had here and wish the team success in the future.

Best regards,

[Your Name]
