# Retirement Resignation Letter for Teacher

Dear [Manager's Name],

After [Number of Years, e.g., "30 years"] of embracing the joy of teaching, I've made the decision to retire as [Your Subject, e.g., "History"] teacher at [School/Institution Name], effective [Last Working Day].

Each classroom session was a dance of curiosity, each student a beacon of potential. The hallways of [School/Institution Name] resonate with memories, lessons, and countless moments of epiphany. My gratitude extends not just for professional growth but for the privilege to shape futures and be a part of so many life stories.

As I turn this page, I offer my full support in ensuring a smooth transition for my successor and the students.

Thank you for the journey, the trust, and the canvas to teach and learn.

Warm regards,

[Your Name]
