# Sample Funny Resignation Letter Example

Dear [Manager's Name],

Remember when I said I wanted a pet dragon and a moat around my desk? Since that's not happening anytime soon (and trust me, I waited), I've decided to venture into the big wide world in search of both. I'll send postcards. P.S.: This is my fun way of saying I'm resigning. You'll be missed!

Sincerely seeking dragons,  
[Your Name]
