
Teacher Resignation Letter for Family Reasons

Dear [Principal's Name],

I hope you're doing well. It is with mixed emotions that I write to tender my resignation as the [Subject] teacher at [School's Name], effective [last working date, e.g., June 30, 20XX]. Over the past few months, certain unforeseen family circumstances have arisen, necessitating my undivided attention and presence.

The commitment to education and the bond I share with my students makes this decision incredibly difficult. However, family obligations have to take precedence at this juncture. Please know that I am fully dedicated to fulfilling my responsibilities and ensuring a smooth transition for my successor.

I am endlessly thankful for the wonderful moments, challenges, and growth opportunities I've experienced at [School's Name]. I will deeply miss this community.

Warm Regards,

[Your Name]
