
VA Social Work Cover Letter Example

Dear [Hiring Manager's Name],

I am writing to apply for the Social Worker position at the Veterans Affairs (VA). With a strong dedication to serving veterans and their families, I have worked in veteran-focused social work for six years.

In my role at [Previous Organization], I provided counseling, benefit coordination, and crisis intervention to veterans. My deep understanding of veterans' unique needs, commitment to service, and alignment with the VA's mission make me an excellent candidate.

I look forward to the opportunity to serve our nation's heroes.

Sincerely,

Dr. [Your Full Name]
